FROM THE DANWA PRESIDENT:

Greeting Friends and Neighbors

Events that happened in October 2026

October 15th, Shop With A Cop Fundraiser at McDonalds. That was a wet and cool evening, but thanks to McDonalds, Captain Whit Taylor, Lieutenant Ronnie Neal, Rex and Debbie Warlick, Jim and Sandy Hightower, Jim Gordon. Ted and Nancy Garret from Del North and all of those who came out in support. We raised $2,094.68 in coupon sales and donations plus $725.95 from McDonalds (percentage of food and drink sales that evening) for a total of $2,820.63. On top of that, we have the donation jar, which is good for another $400 to $600. So all together DANWA will be sponsoring 13 to 15 children to Shop With A Cop at Walmart on December 12th at 9 am.

October 24th was busy day: We started off with the Townsend Tiger Trot at 10 am. Or rather that was when the whistle blew. There were eleven volunteers, (3 from Del North, 3 from Midway Village, and 5 from DANWA) who gathered around 9 am for their assignments to block intersections for the runners. We had a great time with participants ranging from those in baby carriages, Townsend Tigers (of course, some in costumes), parents & teachers, seniors with walkers, and DCHS ROTC volunteers bringing up the rear. Thanks to Coach M. Smith for putting the event together.

Then from 4 pm till 7 pm there was the Trunk or Treat at Integris Health Community Hospital. Sandy Hightower put together a pirate themed trunk, with a sea filled with sharks and a wooden plank that the kids had to walk to receive their candy. Actually, the kids started showing up around 3:30, before we were finished setting up, and continued in a steady flow till about 6:30. By then we had run out of candy and other items to give way. It was a fun time, cute and courteous kids, great costumes and wonderful weather.

Coming up on November 11 at 11am, Del City will be celebrating Veterans Day at the Huey Long Community Center on S.E. 15th. The event is open to the public and will feature a 21-gun salute, bag pipes, The Del City High School Choir, various speakers, and refreshments. This is one event you really don't want to miss.

An issue I am well aware of and has even come before the Del City Council is the skunk population. The city is looking into what can be done, including possibly hiring professionals to help reduce the number of these stinky, little critters in our city. As of now, the Animal Control Officer (ACO) will NOT come out and pick up, remove or transport skunks. By Oklahoma State Law, those services must be handled by a licensed wildlife professional who will charge $ 200 to $ 300 per incident and that is if you already have trapped the animal. Also, by state law, it's illegal to shoot or otherwise kill the pest. Hopefully the City or someone can come up with a feasible solution soon. As for now, our best action will come in doing two things, reducing their habitat and food. Skunks and raccoons are transitory and opportunists. They will seek daytime shelter under your house or outbuilding, in your attic, a wood or compost pile, even up under a derelict vehicle. We've greatly reduced their natural habitat, now we need to secure ours. When it comes to food, the biggest source would appear to be pet food. If you have outside pets that you feed at night, reduce the amount to only what they will consume at one setting, anything that is left is an invitation to a scavenger. I will be following up on this and give you updates as I get them.

Election of Officers is coming up in December.

May GOD Bless You and Yours — See You November 9th, 2026 at 7 pm

For ease and keeping up with the times and wanting to get the newsletter via email, do the following: Go to 'www.danwa.org', scroll down and click on DANWA DARTS and follow instructions on that page. You will still get the paper copy as there is no way we can separate delivery individually. You'll just receive it quicker than paper delivery. Plus, some of it is in color.

DANWA is so grateful to the City of Del City for making printing capabilities available for the newsletter. In reality the newsletter would have gone by the wayside as the monthly printing cost are astronomical. The other neighborhood watch groups are also taking advantage of the opportunity by printing their membership information as well. While we continue to print 1650 copies monthly other neighborhood watch groups only print quarterly and distribute only to their membership, leaving out a portion of their watch area. Our monthly editions provide monthly crime stats which include city wide crime stats, current contact points for the city and our DANWA officers, volunteer operations and monthly information vs. quarterly information. We are proud to have served our square mile for over 25 years and hope you continue to enjoy and "hopefully" read the newsletter.

FOR SALE: Jazzy Electric Wheelchair, excellent condition, with nylon cover, plug in powerup jack, right hand control panel/joystick. Please call or **text** 916-284-6234 for further details. Asking $800.00 we are local in Del City.
