

The Del Aire DEFENDER

Vol III

April 1997

FROM THE PRESIDENT

What a good turnout at the last meeting! We filled two-thirds of the Townsend Elementary School Cafeteria! Let's try and fill the whole cafeteria at our next meeting on April 14, 1997.

Jeff Jefferson's demonstration on anti-abduction techniques was simply outstanding! If you are interested in taking one or several of his classes, please contact him at 521-8344 or myself at 672-4273 for more information.

During our March 1997 General Meeting, those members present voted to have Ed Eakins serve as our new Patrol Captain. Any and all the support we can give him will make his job a lot easier.

Our membership renewal is going pretty good, but there are still quite a few of you who have not renewed yet. A new base list indicating current members has been printed out for our base operators. If you haven't renewed your membership, your name is not on that list. A new list will be printed out at the end of April, so it is NOT TOO LATE TO RENEW YOUR MEMBERSHIPS OR JOIN D.A.N.W.A.

I would like to WELCOME ALL OF THE NEW MEMBERS this year to the best neighborhood watch association around!

Bud Dolan from the Del City Parks Department will be our guest speaker at our April meeting. He will be glad to answer any questions about your lawn care, trees, gardens, etc. Let's show him what a good turnout we can have at our meetings. That's enough for now, see you at our next meeting!

John Morris

TREAT 'EM RIGHT

I had a simple idea that was so much fun. I baked extra cookies and wrote this on a recipe card: "Just wanted to share these with you because you're my neighbor. Next time you bake or get to the store for doughnuts, pass on this note to the neighbor around the block."

I was amazed at how soon the note got back to me complete with news of my neighbors and a good excuse to bake and go next door for coffee more. *Tara Miller

HOW BEST TO INVEST

A house can start to fall apart

If not kept in repair.

Its counterpart, the human heart,

As well, needs constant care.

Which, to impart,

takes skill and art.

But, oh, what profit there!
