DID YOU HEAR?

*On Dec. 15, the Boy Scouts from Troop 828, out of Richmond Va, sold popcorn in front of the headquarters of the Va. chapter of the .....ACLU.*

*That's right, the organization that wants to shut us down across the nation because we believe in "God"*

*Radio talk show host Glenn Beck, who is heard nationwide in the morning, was in Richmond for a show he was going to have that night. He got wind of the Troop's effort and for 3 hours on his show he promoted their popcorn sale in front of the organization's headquarters. Lambs in the Lion's den. HOW SWEET!*

Glenn Beck had the local affiliate interview the Scout Master and Scouts while they sold their popcorn. He also bought \$500 worth of popcorn for his event that night in Richmond. At one point of the interview with the Scout Master he said the cops came over. He was asked did they complain? The Scoutmaster said, "No, they bought some popcorn".

Glenn Beck also had the Trails End popcorn web site on his web page for people across the nation to buy popcorn giving credit to Troop 828 and invited the Troop to sell popcorn at the event he was having that night.

As of Thursday morning's show Glenn Beck said the Troop had raised over \$12,000 in popcorn sales from there and from customers in 39 states.

Way to go Scouts!

On another note.

Troop 60 would like to thank E. P. Walke, Jr for his donation of a 11' Shark Sailboat. We plan on fixing it up so we can learn how to use it this spring.

You too can learn about boating. Come check us out!

## From the Patrol Captain Desk

Hello friends and neighbors:

Well here it is a New Year, I hope your holiday season was a joyous one. It is time for us to settle into the daily requirements and prepare for the rest of 2005. I have taken the time to review the past year of activity with the Neighborhood. I don't find our overall crime activity has grown that much, but the home burglary does bother me. I just want to ask everyone to consider being involved in your Neighborhood Watch.

The Del City Police Department, is offering to our citizens an opportunity to attend **Citizens Police Academy 2005**. These classes are two nights a week during the month of February, 6 PM to 9 PM. Some of the many subjects covered Oklahoma Law, Code Enforcement, Drug Recognition, Gangs, Narcotics and Vice Investigations, Citizen complaints, Community Policing, and many others subjects. If you are interested in attending the academy, please contact me for an application. I have found this to be a very interesting and informative time. I am an Academy Grad. And really enjoyed it.

### Philosophy

If you love something, set it free.  
 If it comes back, it will always be yours.  
 If it doesn't come back, it was never yours to begin with.

But...

If it just sits in your living room, messes up your stuff, eats your food, uses your telephone, takes your money, and doesn't appear to realize that you actually set it free in the first place, you either married it or gave birth to it.

Don't forget the sewer stuff from the city.
