## From your President:

Hello Friends and Neighbors,

At the May meeting we enjoyed listening to our State Representative Kevin Calvey discussing Family Law and Living Wills. If you weren't in attendance at this meeting, you missed a very interesting and informative amount of information.

For our July meeting we are going to have Max Miller from the Highway Watch® program. He will be speaking about Safety, Security and anti-terrorism of the United States. We will update you more in the July Newsletter.

Our City Manager ask us to remind everyone to review their water bill and make sure their water usage is a reasonable amount. He said everyone should check their water usage each month, and if it seems you are using more than you normally do, you should have your meter and water system checked. You may have a leak and don't know it.

I want to give a BIG THANK YOU to Steven Gold and sons for painting over the graffiti in our area. Job well done.

Remember to pick your favorite yard of the month and place it in the Ballet Box at our meeting. We will have a drawing at our June meeting.

Have a nice summer,

*Rose Mary*

ON A TROOP NOTE.....

<http://Members.cox.net/jslize9879./page1.htm>

Hi Neighbors.

Well we went fishing at Lake Fuqua last month. Didn't catch any big fish but had a good time trying. We wound up catching 3" sunfish before the sun went down. We will do some more fishing at lake T'Bird next month. Our sailboat worked well while we were there. We also had Joe Satterwhite come down to our hut to teach us about using the GPS systems. Thanks Joe.

If you want to get your son off the streets this summer, we can help. We have boating, fishing, swimming and camping planned for the next 3 months. Call John at 672-0633 for info.

Parents, do you have a son in Townsend Elem. of Cub Scout age? Pack 60 is looking for a few Scouts for the Pack. They are planning to attend the District's Cub Day-Camp. For more information about the Pack, call Chris at 514-8808.

.....Tear off here and tape to fridge.....

### Aluminum Can Drive

Here is the schedule for our aluminum can drive. Just place the cans on your driveway before 11am on these days and we will pick them up. If you can't wait, call John at 672-0633.

## From the Desk of the Patrol Captain

Hello Friends and Neighbors,

Well here it is June already. The time just flies, I know it gets faster as I grow more mature, (I don't use the O—word).

The kids are out of school and just bored to tears. Now is the real time to be observant and see what is happening around us. Idle time and hands make for a bad boys workshop. Our kids are good kids if their time is filled with productive activities, lets help them. The Boy Scouts and Cub Scouts are planning some great activities for the summer, maybe you can encourage some one to join these or other organizations to fill their time.

I just want to remind you that if you have not already renewed you DANWA membership, you can still do it. We would greatly appreciate your involvement. I want to take this time to ask for your help. We could use your assistance in being a patroller (we will train you), in serving on a committee, or just being actively involved in your neighborhood watch.

If you have an interest or a question contact one of the officers by phone or e-mail.

Have a wonderful month.

## Our readers corner:

**Question:** What can be done about dogs barking? We have some that seem to continually bark—AT EACH OTHER.

**Answer:** City Hall provides the following:

**“Sec. 4-15. Disturbance by animals.**

It is unlawful for any person to keep or harbor within the city any dog or other animal which, by barking, howling or otherwise, disturbs the peace and quiet of any person or persons. (Ord. No. 882, § 1, 9-6-88; Ord. No. 988, § 1, 7-5-94)”

## Another reader writes:

Check for “LIGHTS OUT”

While patrolling our neighborhood at night I have seen many cars with burned out headlights and taillights. Since we are no longer required to get our vehicles inspected each year it is our responsibility to be sure our cars are safe for both ourselves and others on the road. Take a few minutes to walk around your car to be sure all your lights work and have someone help you check turn-signals, brake-lights and back-up lights. *Remember, safety first, do not have your wife help you check backup-lights after any arguments or misunderstandings.*

Thanks to Steve G for the good thoughts—
