From your President:

Hello Friends and Neighbors,

Hope everyone is enjoying their summer. We had a very welcome rain the first weekend of August. It sure freshened things up.

Remember school has started; please be aware of the children going to and from school each day and please observe your speed in and around the school zones.

Congratulations to the yard of the month - 4756 Spiva. Bring your entries to the next meeting, September 12, and place them in the ballot box for the drawing that night. There are so many beautiful yards, but we can only pick one a month. We really enjoy and appreciate all your hard work.

The City of Del City is thinking about having a city wide garage sale some time in September. They will be putting out announcements on Channel 20 and the local newspapers in the next few weeks. So if you have some things you don't need anymore and need some spare money, be on the look out for the city wide garage sale.

We would like some input about what you think of the Del Aire Defender (our newsletter). Do you like the way it is, or do we need to improve it? If you have any suggestions on what you would like to have done just let me know and I will get it to the editor. If you have any compliments or gripes just let us know that too, we appreciate ANY comments you can give us.

Thanks to all and have a nice day.

If you haven't noticed lately,

our crime statistics have gone up. Much due to DANWA not having enough patrollers roaming the neighborhoods making our presence known, showing blinking lights, making the criminal think **"THEY MIGHT SEE ME AND I'M NOT GOING TO DO IT HERE."** **YOU can help** by making yourself available. **YES, EVEN ONE HOUR A MONTH WILL HELP.** Can you do it? Will you do it? We are asking, no, we are pleading for your help and we know you can do it. **COME JOIN US** and provide that helping hand. As one patroller put it, "I am going to continue to give them what their dollar is paying for, by continuing to patrol the neighborhood".

TROOP 60 Scout Corner

Highlights from the August 8, 2005 General Meeting

Hi Neighbors,

This month, Troop 60 says "Goodbye to DANWA"

After 40 years for the Pack and 16 years for the Troop we are saying so long for now DANWA. In the last two years we lost 7 Scouts and 3 Leaders due to moves.

Recruitment has been low and we can't seem to find any parents willing to donate a couple of hours a week. So the stage is set for our demise. To top that, the Mid-Del School District asked us to move out of our Scout barrack in 7 days. This only hastened our closing down. So we contacted Troop 916 which is just above 29th on Vickie. If all goes well we combine 2 small troops into 1 larger. The move will also benefit the boys with new experiences and acquaintances. The Troop is also in need of equipment and supplies so this will be Christmas for them. It will all work out well in the end. We will still have our contacts in DANWA and John will still collect aluminum cans for the boys to help pay for dues and supplies. We will still try to help with service projects and fling superballs out to the crowds during parades.

We would also like to thank Mr. Holland, the Principal at Townsend. His support over the years has been great. **THANKS DANWA !**

John, Scoutmaster Troop 60

We have one more month for the Aluminum Can Drive

Just place the cans on your driveway before 11am on Sept 10 and we will pick them up. If you can't wait, call John at 672-0633.

Our Neighborhood Watch Night Out will be October 3, at Eagle Lake. Each Neighborhood Watch will contribute \$150.00 for eats and treats.

Del City will have a city-wide garage sale in September. Date will be announced. You do not have to purchase a permit, just notify the city you are having a garage sale.

We are discussing a visit to Orval Ray Tower, but have to check on the date available.

John Hirsch won the door prize.

From the Desk of the Patrol Captain

Hello Friends and Neighbors,

Well here it is September already. School has started and it is time to be extra careful as we drive near any place school children may be crossing the street. Some of these children are walking to or from school for the first time without adult supervision. They have other things on their mind so watch for them to do the not so intelligent thing.

I don't want to sound like an alarmist, but the criminal activity for our area has not reduced in the past month. The Police believe they have caught at least one group that was involved in the Auto burglary and Home burglaries. I know you can see this in another part of the newsletter but for month of July; (**Vandalism 2, Larceny 8, Auto Burglary 6, Home Burglary 4, Stolen Vehicle's 3**).

We can always use more help in the association to make this area a more pleasing place to live and raise our children or grandchildren. I want to thank the ones that have called and expressed an interest in patrolling and serving on some of the committees. The more people involved makes the task at hand a lot easier and a lot more fun. It is great to be with other people and do a good thing. If you want to know more call any one of the officers. We look forward to answering any of your question and helping you find a place in DANWA to be of service in your community.

Thanks,

Jimie Hendricks

Wayne would like to say 'howdy' to some folks especially those who like to listen to Live Irish Music here in Del City. Every 2nd Friday at Java Daves, 1911 S. Sunnyslane from 7pm to 10pm. He says there are 5 to 15 Celtic musicians playing and there is no cover charge. Check his website out at wayne@flyinfiddler.com or go to Java Daves.

A special 'thank you'

again this month, to those of you who mow, care for, and pickup trash outside of your lawn area. To those people along the trail (Sooner Rd) and along 44th who care for their area outside of their fences. That "thanks" extends to those of you who go further and pick up the blowing trash and put it in your trash can instead of throwing it out in the street to blow in the neighbor's yard. Thanks for helping make our neighborhood look better and cleaner. This solidifies the old saying "every little bit helps."

A big 'thank you' to the City of Del City for watering the trees along Sooner road and along 44th.
