From your President:

Hello Friends and Neighbors,

Happy Thanksgiving, hope you have a safe and happy holiday.

We had a very enjoyable meeting October 10th. We had wonderful refreshments and got a lot of things done. Hope you are enjoying this fall weather, it is simply marvelous.

You should receive a plastic bag with this month's newsletter. The bags are for your donation to our food drive where we are again helping support the Mid Del Food Pantry in Midwest City. They have almost depleted their supplies by helping New Orleans. Our DANWA volunteers will pick up your donations November 12 so please have your bags on the front porch by 8:00 am. that morning. Thank you in advance for your donations.

I would like to thank Diane Potter, Cub Master with Pack 60, for bringing her Troops to the meeting and providing the Flag Ceremony. To see youth in action appreciating the US flag, these children did a great job. It is a sight to see.

The residents of Orval Ray Tower really enjoyed the meal we provided. They are always so grateful and fun to be with, and everyone was overly stuffed and happy. We want to give a big THANK YOU to Rick Bolton (Graywolf) and Wheelers Meat Market for the time they spent preparing the brisket and chicken for Orval Ray Tower. It was delicious and again, THANKS, we appreciate you.

From the Desk of the Patrol Captain

Hello Friends and Neighbors,

I have just returned from a few days of vacation. During this trip I visited with a friend from a medium sized California city. He is the community policing officer for the city. We got into a good discussion about neighborhood watch and how they worked. He was really impressed of how our neighborhood watches worked in Del City and the communication that we had with the police Department and Fire Department. The one statement he made that impressed me was "I wish our department could have this type of relationship with our citizens. I just want to say thanks to Del City Police Department for having faith in the citizens of our city, to help and report activity.

I want to extend an invitation to our citizens to join us in being of service to our neighbors and community. When there was a concern that Tropical storm "Rita" was going to drift up across Texas and stall out over Oklahoma, (thus dumping a possible 12 inches of rain in our area). We were on stand by to help get information out to the flood prone areas of our city and to help get people to a safe and dry place.

Scout Corner

Hey DANWA, Troop and Pack 60 are still here. We may have lost our barracks at Townsend but we found new Scouts and a place to meet. The Pack has about 7 cubs and the Troop gained 5 Scouts from Troop 916 with 4 active leaders. We still plan on working with DANWA and the community even though we may not be meeting in the hood.

The Troop will be camping Nov. 11-13 at Choctaw Park and will be participating in the massive annual Flag retirement for thousands of U.S. Flags. The ceremony will be held on 11 Nov. at dusk and is open to the public.

DANWA with the Troop and Pack will be collecting canned food in the near future. Info will be in the DANWA newsletter.

We are still collecting aluminum cans to help with the cost of camp-outs and supplies. Every can helps! If you have cans or need info on the Troop or Pack, call John at 672-0633

Yard of the Month is 4817 Woodview, guess whose yard it is. Thanks to all. Come to our next meeting and place your choice for yard of the month in the Ballot Box.

I would appreciate it if everyone would consider giving a little of their time to DANWA, we need all the help we can get, just an hour or so would greatly be appreciated. Come on out and be on a committee.

Here is that "something **new** for our readers" that was mentioned in the last newsletter. It starts with this newsletter. It is called, find your name in the newsletter game. A name is drawn from the membership and will be printed within the newsletter for the month of the newsletter, i.e. this newsletter and name is for **November**. To claim the prize you must come to the November general meeting.

Here are the rules:

- 1) Find your name
- 2) Come to the general meeting (held the **second Monday** of the month) with your identification, (you must present an ID to claim the prize).
- 3) If your name is the correct name, you claim your prize for that month. In this case, November.
- 4) The prize is a \$25 gift certificate at Wal-Mart.
- 5) You must be present at the meeting to claim the prize.

Currently the plans are only one name a month. (who knows, that could change).

Thanks and have a Happy Holiday.

(continued from page 4) - From the Desk of the Patrol Captain

I have been asked questions about **larceny** several times in the last month, so here is an answer from the Lectric Law Library.

LARCENY - Illegal taking and carrying away of personal property belonging to another with the purpose of depriving the owner of its possession. The wrongful and fraudulent taking and carrying away by one person of the mere personal goods of another from any place, with a felonious intent to convert them to the taker's use and make them his property without the consent of the owner. To constitute larceny several ingredients are necessary. The intent of the party must be felonious; he must intend to appropriate the property of another to his own use. If the accused have taken the goods under a claim of right, however unfounded, he has not committed a larceny.

There must be a taking from the possession, actual or implied, of the owner; hence if a man should find goods and appropriate them to his own use, he is not a thief on this account.

There must be a taking against the will of the owner and this may be in some cases where he appears to consent; e.g., if a man suspects another of an intent to steal his property, and in order to try him, leaves it in his way and he takes it, he is guilty of larceny. The taking must be in the county where the criminal is to be tried. But when the taking has been in the county or state and the thief is caught with the stolen property in another county than that where the theft was committed, he may be tried in the county where arrested with the goods, as by construction of law, there is a fresh taking in every county in which the thief carries the stolen property. There must be an actual carrying away, but the slightest removal, if the goods are completely in the power of the thief, is sufficient; to snatch a diamond from a lady's ear, which is instantly dropped among the curls of her hair, is a sufficient aspiration or carrying away. Mary Paxon

The property taken must be personal property; a man cannot commit larceny of real estate. For example, an apple, while hanging on the tree where it grew, is real estate, having never been separated from the freehold; it is not larceny therefore, at common law, to pluck an apple from the tree and appropriate it to one's own use, but a mere trespass. If that same apple however, had been separated from the tree by the owner or if shaken by the wind, and while lying on the ground it should be taken with a felonious intent, the taker would commit a larceny, because then it was personal property. Animals *ferae naturae*, while in the enjoyment of their natural liberty, are not the subjects of larceny. Larceny is divided in some states into grand and petit larceny depending upon the value of the property stolen.
