### Dates to remember:

DANWA General Meeting—  
Calvary Christian Church in the annex just north of the church, 3900 Epperly Dr. at 7:00 pm, second Monday of the month.

The Patrol Meeting will follow the General Membership meeting at the Calvary Christian Church annex.

CERT General Training Meeting, at 7:00 pm, Del City Community Center, second Tuesday of the month.

Hello everyone,

As we begin this New Year, I would like to thank all the people that have kept this Neighborhood Watch operational over the last year. We have District Captains and Block Captains to thank for getting our news letter out each month. Also a big thanks to Joe Satterwhite for all the work he puts in creating the newsletter. Thanks to the members that attend our membership meetings and help make the decisions that need to be made. A special thanks to the Officers that run the Neighborhood watch Group; Pat Satterwhite, Yvonne Hirsch, RoseMary Bolton and John Hirsch. Without them, nothing would have gotten accomplished. The biggest thanks of all go to the Patrollers; those people that volunteer their time, use of their vehicle and cost of gas to help make our neighborhood a safer place to live. Again, Thanks to All!

Our Officer elections were held in December. RoseMary Bolton was unable to continue as the Assistant Treasurer and has stepped down. Eva Beebe volunteered to fill the position and was elected by membership vote. All other Officers were reelected by membership vote to their current position as there were no candidates submitting their nominations.

Coming up the 1<sup>st</sup> of March, our annual Membership renewal starts. As you may know, DANWA membership runs from the 1<sup>st</sup> of March thru the 28<sup>th</sup> of February the following year. On 1 March all memberships expire and must be renewed.

For the month of November, most of the crime went down, the exceptions being vandalism's and burglary of businesses. A lot of the November activity was in apartment complexes or businesses. There were only two residential burglaries and again in November those were in the area just off Sunnyslane. The Del City Police Department had another good month for burglary arrests with 10 arrests in November, this following 11 arrests in October.

Here's hoping everyone has a great year; Be Safe!

## Lend a hand! We need Block Captains for:

1. S.E. 43rd between Sunnyslane and Wofford

**Please call Jim 677-5044**

2. One-half of Angela between Oakbrook and Angela Circle

3. Del View from Princess to Del Aire

**Please Call Yvonne 670-3971**

Block captains are a vital part of our volunteers who deliver the newsletter to our neighbors.

We still need some help for block captains—Some people are delivering two and three routes, can you give them a hand?

Would you like to help? It's good exercise one day a month.

### PUT YOUR CAR KEYS BESIDE YOUR BED AT NIGHT

Put your car keys beside your bed at night. If you hear a noise outside your home or maybe someone trying to get in your house, just press the panic button for your car. The alarm will be set off, and the horn will continue to sound until either you turn it off or the car battery dies.

This tip came from another neighborhood watch coordinator. Next time you come home for the night and you start to put your keys away, think of this: It's a security alarm system that you probably already have and requires no installation. Test it. It will go off from most everywhere inside your house and will keep honking until your alarm resets, the battery runs down, or until you reset it with the button on the key fob chain. It works if you park in your driveway or garage. If your car alarm goes off when someone is trying to break into your house, odds are the would be burglar or rapist won't stick around... After a few seconds all the neighbors will be looking out their windows to see who is out there and sure enough the criminal won't want that; and remember to carry your keys while walking to your car in a parking lot. The alarm can work the same way there ..... This is something that should really be shared with everyone. Maybe it could save a life or a sexual abuse crime.

This idea would also be useful for any emergency, such as a heart attack, where you can't reach a phone. The suggestion would be to carry your car keys with you in case you fall outside and you can't be heard. You can activate the car alarm and then someone know there's a problem and hopefully come running or looking for you.

Happy New Year from all of us to YOU all.....

I thank our readers for writing articles to place in the newsletter

1. I walk the track on sooner from 44th to 29th and noticed that there are STOP signs on the side of the walking track for the walkers and joggers. This is for all of us to STOP and check the traffic before crossing the street, **we, as walkers & joggers, DO NOT HAVE THE RIGHT A WAY, the vehicle traffic does.** As drivers, we have almost hit joggers a couple of times when turning in off of Sooner as they did **NOT STOP**. It is hard to stop quickly when turning in from Sooner. Please express to the walkers & joggers they **MUST STOP** or make sure there is no traffic before crossing the street (the stop signs back this up).

2. Also, the people walking their dogs, and I have walked mine, on the track, should bring a sack to pick up their dogs "poop" it sometimes is all over the track...there are several trash cans on the track. When we lived in Arizona, that was a **MUST** when walking your dog!.. Also, people just walking their dogs up and down our street let them "poop" in our front yard as well as other neighbors yards... Would appreciate a little courtesy on other dog owners...

Thank you, D. E.

Editor note, please use common courtesy and pick up after your animal, please heed, the walkers and joggers will appreciate not having to run the obstacle course.

Scout Corner

Hello DANWA,

We had a slow month. With Halloween and vacations we didn't have too much planned. Our Veteran's Day camp-out had to be cancelled.

Last month we did have a Webelos Woods camp-out where we taught some simple fishing skills to the younger cub scouts at Eagle Lake. We still have some boating to do, GPS work and fishing. We will try for a Red Rock Canyon camp-out next month. The weather should be prefect.

On Dec. 10<sup>th</sup> Matt received his Eagle Rank. We should have some pictures on the web soon.

We currently have openings for 3 boys to join our ranks. **We do not need parents.**

John  
SM Troop 60

We also want to Thank DANWA for their support for the Troop. Without them we could not do the things we do.

Check out some of our pics at... <http://photobucket.com/Troop60SFSR>

If you have a son interested in getting out and learning some interesting stuff, come down to one of our meetings

Please save your aluminum cans for us. If you have cans you can call (John- 672-0633) or drop them off. Remember each bag helps pay for dues, equipment and helps keep the cost of events down. Please no aluminum pans or foils. The metal recyclers yell at me when there is foil in the bags.

Thanks,  
John, SM T60
