DEL AIRE NEIGHBORHOOD  
WATCH ASSOCIATION

OCTOBER 2013

## From the DANWA President:

Hello everyone,

It was another good month for the neighborhood with most of the crime stats being down from last month. Vandalism, larceny, residential burglaries, stolen vehicles and auto burglaries were all down from last month. All but auto burglaries were down from this same month last year, but more than half of those were in apartment complexes not at residences. If we are ever going to stop auto burglaries and larcenies, everyone is going to have to **not** leave items of any value in their vehicles, in their yards or leave their garage doors standing open without being right there. It's your choice, secure it or lose it!

Del City's National Night Out will be held on October 19<sup>th</sup> at 5PM at Eagle Lake. This is for the residents of Del City to get together for fun and food. It is a chance to meet your Police Officers, Fireman and your area's Neighborhood Watch personnel. There will be catered food to eat and music for your enjoyment and it's all free, as this event is paid for by the Neighborhood Watch organizations of Del City. So, come out and join us!

Del City is looking into starting some type of recycling program in the future. It has not been determined whether it will be curb side pickup or some type of bin system that you take your items to and drop off. The city is looking for some feedback from residents on this. You can send your comments to the city or e-mail them to me at [danwapres@flash.net](mailto:danwapres@flash.net) and I will pass them along to the city manager.

For all of you out there that just can't get enough tools; there is a Harbor Freight store coming to Del City. The store will be located in the old Beachlers Food store next to Golds Gym, on 15<sup>th</sup> St. I do not as yet have a date for the opening.

I want to remind everyone that the **last** Free Dump for the year will be October 25<sup>th</sup>, 26<sup>th</sup> and 27<sup>th</sup>. This would be a good time to clean up the yard and get rid of items you do not want lying around in the way until March of next year when the Free Dumps start again. Be safe!

## NOT ALL THIEVES ARE STUPID

### 1. LONG-TERM PARKING:

Some people left their car in the long-term parking at San Jose while away, and someone broke into the car. Using the information on the car's registration in the glove compartment, they drove the car to the people's home in Pebble Beach and robbed it. So I guess if we are going to leave the car in long-term parking, we should NOT leave the registration/insurance cards in it, nor your remote garage door opener.

This gives us something to think about with all our new electronic technology.

### 2. GPS:

Someone had their car broken into while they were at a football game. Their car was parked on the green which was adjacent to the football stadium and specially allotted to football fans. Things stolen from the car included a garage door remote control, some money and a GPS which had been prominently mounted on the dashboard. When the victims got home, they found that their house had been ransacked and just about everything worth anything had been stolen. The thieves had used the GPS to guide them to the house. They then used the garage remote control to open the garage door and gain entry to the house. The thieves knew the owners were at the football game, they knew what time the game was scheduled to finish and so they knew how much time they had to clean out the house. It would appear that they had brought a truck to empty the house of its contents.

Something to consider if you have a GPS - don't put your home address in it... Put a nearby address (like a store or gas station) so you can still find your way home if you need to, but no one else would know where you live if your GPS were stolen.

## 3. CELL PHONES:

I never thought of this.....

This lady has now changed her habit of how she lists her names on her cell phone after her handbag was stolen. Her handbag, which contained her cell phone, credit card, wallet, etc., was stolen. Twenty minutes later when she called her hubby, from a pay phone telling him what had happened, hubby says, "I received your text asking about our Pin number and I've replied a little while ago." When they rushed down to the bank, the bank staff told them all the money was already withdrawn. The thief had actually used the stolen cell phone to text "hubby" in the contact list and got hold of the pin number. Within 20 minutes he had withdrawn all the money from their bank account.

### Moral of the lesson:

- a. Do not disclose the relationship between you and the people in your contact list. Avoid using names like Home, Honey, Hubby, Sweetheart, Dad, Mom, etc....
- b. And very importantly, when sensitive info is being asked through texts, CONFIRM by calling back.
- c. Also, when you're being texted by friends or family to meet them somewhere, be sure to call back to confirm that the message came from them. If you don't reach them, be very careful about going places to meet "family and friends" who text you.

## 4. PURSE IN THE GROCERY CART SCAM:

A lady went grocery-shopping at a local mall and left her purse sitting in the children's seat of the cart while she reached something off a shelf... wait till you read the WHOLE story! Her wallet was stolen, and she reported it to the store personnel. After returning home, she received a phone call from the Mall Security to say that they had her wallet and that although there was no money in it, it did still hold her personal papers. She immediately went to pick up her wallet, only to be told by Mall Security that they had not called her. By the time she returned home again, her house had been broken into and burglarized. The thieves knew that by calling and saying they were Mall Security, they could lure her out of her house long enough for them to burglarize it.
