Greeting Friends & Neighbors,

By now the Christmas toys have suffered a minor scratch or two. The kids are needing more batteries, Dad can't wait to get out and hit those new golf balls, or try out the new fishing pole, Mom is checking the calendar to see when school starts again (it can't come soon enough) and swears she's not cooking another big meal for a month. Oh! And those New Year's Resolutions, well maybe a more realistic approach is needed.

I do hope that you had a joyous holiday season, and that your new year exceeds your needs.

To those of you who were at the December meeting, thank you for your vote of confidence in re-electing us (the executive board) to another year. We all try to serve you to the best of our abilities. I for one am humbled by the opportunity, and look forward to another year. Thank you!

The blue ribbons & bows that you see displayed around our community are an effort to show support to our law enforcement personnel (city, county, state, and federal) The motto "To protect and serve" is more than just a saying to them, it's a way of life. Their dedication and personal sacrifice to duty is something that most of us are not qualified or willing to undertake. They deserve all the praise and support we can give them. Ok! So I'm pro police and snit-bad guys. If you want/need a blue ribbon/bow, they are available at our general meetings, then display it on your flag pole, car port, mail box., or tree. Be a **BLUE RIBBON** enthusiast.

Our next meeting is 7pm on January 11, 2016, come join us. Until then May God Bless and Keep You and Yours.

Ron McCall, DANWA President, 677-7923

**WE STILL NEED ADDITIONAL block captains to deliver newsletters once a month**

1. Epperly from 41st to 42nd Terrace (18)
2. 43rd from Sunnyslane to Mickey (17)

**Contact Jim Highfill

**Come on folks, we're begging now, we need some young people to help in the association.** Just a little bit of volunteering won't hurt much. Some blocks only have 20 homes to deliver to, most are less than 25 homes. If you can help with any of these please contact any of the District Captains above. It's really not hard to volunteer one day out of the month and it proves to be good exercise by delivering the newsletter door to door for your particular block or blocks. You might even meet your neighbors.

**You don't have to be a member to volunteer to deliver the newsletters.**

**A HUGE THANKS TO THOSE NEW VOLUNTEERS FOR HELPING PICK UP THE LOAD**

**December 2015 General Membership meeting highlights**

#### Winter terms to know:

**Freezing Rain**—Rain that freezes on contact with roads, trees, sidewalks, etc.

**Sleet**—Rain that freezes before hitting the ground.

**Winter storm watch**—A winter storm is possible in the area.

**Blizzard warning**—Winds or gusts 35 mph or greater, along with snow are expected to last 3 hours or more.

**Winter storm warning**—A winter storm is occurring or will begin soon.

**Frost/freeze warning**—Temperatures are expected to drop below freezing.

#### During and after a Winter Storm

- Conserve heating fuel by shutting off unused rooms.
- Wear several layers of clothing and hat outdoors. Cover your mouth with a scarf to protect your lungs.
- Don't overexert yourself while shoveling snow
- Watch for signs of frostbite: loss of feeling along with paleness in tip of nose, fingers, toes and ear lobes.
- Beware of hypothermia. Signs include uncontrollable shivering, slurred speech, drowsiness, memory loss and disorientation.
- Avoid driving at night or alone. Notify others of your schedule and route.

#### If Your Vehicle Is Stranded in a Blizzard

- Pull off the road and turn on your hazard lights.
- Do not start walking unless you can see a building where you can take shelter.
- If no buildings are in sight, stay in your vehicle where rescuers are more likely to find you.
- Wrap yourself in blankets or use seat covers, floor mats and maps.
- Run the engine for 10 minutes each hour to keep warm. Open a window slightly for ventilation.
- Balance use of the heater and lights to conserve the battery.
- If stuck in a remote location spell out "HELP" or "SOS" with rocks or branches.

#### Winterize Your Vehicle

- Check the wipers, battery, heater, defroster, ignition system, lights, oil, and tire pressure.
- Consider purchasing snow tires or chains.
- Pack a winter emergency kit with a window scraper, blankets, battery-powered radio, flashlight, water, snack food, tow chain or rope, shovel and flares.

**Check your spigots and make sure your hoses are not connected—could cause the pipes to freeze and burst.**

**For those who have outside animals, continue to check their water and if shelter is available.**
