DEL AIRE NEIGHBORHOOD  
 WATCH ASSOCIATION

MARCH 2016

## From the DANWA President:

Greeting Friends & Neighbors,

Boy, if you were unable to attend our February meeting, well let me just say that you missed out on a special treat. Del City Police Officer Cooke brought K-9 Officer "Pony" to the meeting for show and tell, and what a beautiful animal he is. At eighteen months he is already trained for drug searches and chase/attack, with continued training to follow. If you missed seeing Pony, don't fret, Officer Cooke said she would bring him back for some outdoor activities.

If you haven't yet filled out your DANWA membership application (copy enclosed), please do so now. Your support is vital to the good work and projects we do in the neighborhood.

As springtime approaches so does Oklahoma's severe weather (so what else is new). Besides high winds and tornadoes, flooding is a big problem. That is why I have asked Del City Floodplain Administrator, **Monica Cardin**, to join us at the March 14, 2016 DANWA meeting. She will be discussing several topics including flood insurance and some of the new developments regarding coverage. (A short question and answer period will follow her presentation).

There appears to be a lot on the calendar in March so don't forget to set your clocks ahead on March 13 for **daylight savings**, we wouldn't want you to be late for dinner.

Remember, if you see or hear something that might be criminal activity, Call The Police, (677-2443). Let them check it out.

Ok, Joe says that I can only use part of this page, so I'll close for now. I hope everyone has a **HAPPY EASTER**. May God bless and keep you and yours.

Ron McCall, DANWA President, **677-7923**

**YOU MAY BECOME OUR NEXT WINNER**

It's simple, it's easy, and all you have to do is be a DANWA member. Continuing with our February 8th meeting we drew, at random, the house address of up to four, DANWA members. The winners will receive at least a \$25 gift card. If the winners aren't at the meeting, their address will appear in the next newsletter. You have the next two meetings to come and claim your prize.

**February winners are:**

**3516 Holiday Ave.    4208 Sunnyview Dr.    4837 Woodview Dr.    4325 Suntane Rd.**

**Remaining January winners are:**

**4712 Bomarc Dr.    4816 Elmview Dr.**

### WE STILL NEED ADDITIONAL block captains to deliver newsletters once a month

1. Epperly from 41st to 42nd Terrace (18)
2. 43rd from Sunnyslane to Mickey (17)

Contact Jim Highfill  
677-5044

Come on folks, we're begging now, we need some young people to help in the association. Just a little bit of volunteering won't hurt much. Some blocks only have 20 homes to deliver to, most are less than 25 homes. If you can help with any of these please contact any of the District Captains above. It's really not hard to volunteer one day out of the month and it proves to be good exercise by delivering the newsletter door to door for your particular block or blocks. You might even meet your neighbors.

You don't have to be a member to volunteer to deliver the newsletters.

A HUGE THANKS TO THOSE NEW VOLUNTEERS FOR HELPING PICK UP THE LOAD

 Respectfully, DANWA

DANWA would like to take this opportunity to thank those of you who donate **over and above** the yearly dues and to let you know how much we appreciate it. That extra money goes to help pay for our projects. A reminder to everyone that **NONE** of the money goes to anyone for patrolling—that is to say each patroller pays for his or her own gas, insurance, vehicle and not one cent goes toward those costs;

**EACH PATROLLER IS A VOLUNTEER with their time and assets.**

**Don't forget to set your clocks back March 13th for daylight savings time.**

### Notice regarding membership applications!!!!

If they are blank, i.e. no phone numbers, no emergency contacts, we don't have any way of contacting you in an emergency situation like your garage door is open, or it appears someone has broken in the front door, maybe you have water gushing out somewhere around the house and you aren't there..... We don't know who to call! We might have last years membership application but that doesn't mean we have your latest phone number or your latest emergency contact; so be sure and put that information on the application. And as a reminder, the emergency phone number should be LOCAL not California, Maine, Florida.....someone close by who might know where you are or maybe they have keys to your house and can secure it.....

**Get MOW for your money!**

While we do have a **CONFIDENTIAL** database with information regarding our neighborhood watch, that does not prove to be accurate if you have changed your phone number or Emergency Contact information within the last year or two. There have been and still are instances where the application only has a name and address..... With your help to insure your information is correct it helps us to be able to contact you in an emergency!

We are still looking for ideas and speakers to provide information at the general meetings. If there is someone you would like others to hear from or to provide information about, get on board, contact any one of the officers and let them know.

Thanks, Newsletter Editor

## Missed Call From An Unknown Number? Better Business Bureau Warns Of the "One Ring" Scam

The Better Business Bureau is warning people who use cell phones about a simple "one ring" scam. It preys on curious minds and missed calls.

Scammers are using auto dialers to call thousands and thousands of cell phones. They let it ring once, and then when you look to see who called, some may call that number back and then you are automatically going to be charged \$29 additional on your phone bill. The calls cost \$20 up front and then \$9 for each additional minute.

The unknown number is usually from outside the United States, but they use the same country code (+1, which we share with Can-ada and almost all of the Caribbean nations, from the Bahamas to Jamaica), so it looks like a US number. And, while the FTC re-quires US numbers to inform the caller up front of additional charges, international numbers are not subject to that rule.

Protect yourself by not calling unknown numbers back. Or, if you feel that you need to call the number back, search the web first with the full number to find out where it originates and what person or company may have ties to the number. And lastly, check your phone bills carefully and call your cell phone carrier if you suspect anything.

### **I may not know all the letters used online, but I do recall other words of days gone by.**

Heavens to Murgatroyd! Would you believe the email spell checker did not recognize the word murgatroyd?

Lost Words from our childhood:

Words gone as fast as the buggy whip! The other day a not-so-elderly (65) lady said something to her son about driving a Jalopy, and he looked at her quizzically and said, "What the heck is a Jalopy?" (new phrase!) He never heard of the word jalopy!! She knew she was old but not that old...

Well, I hope you are Hunky Dory after you read this and chuckle...

A little while back, I recalled some old expressions that have become obsolete because of the unstoppable march of technology. These phrases included "Don't touch that dial," "Carbon copy," "You sound like a broken record," and "Hung out to dry." Back in the olden days we had a lot of moxie. We'd put on our best bib and tucker to straighten up and fly right. Heavens to Betsy! Gee wilikers! Jumping Jehoshaphat! Holy moley!

We were in like Flynn and living the life of Riley, and even a regular guy couldn't accuse us of being a knucklehead, a nincompoop, or a pill. Not for all the tea in China!

Back in the olden days, life used to be swell, but when's the last time anything was swell? Swell has gone the way of beehives, pageboys and the D.A.; of spats, knickers, fedoras, poodle skirts, saddle shoes and pedal pushers. Oh, my aching back. Kilroy was here, but he isn't anymore.

We wake up from what surely has been just a short nap, and before we can say, Well I'll be a monkey's uncle or This is a fine kettle of fish! We discover that the words we grew up with, the words that seemed omnipresent as oxygen, have vanished with scarcely a notice from our tongues, and our pens, and our keyboards.

Poof, go the words of our youth, the words we've left behind. We blink, and they're gone. Where have all those phrases gone? Long gone: The milkman did it. Hey! It's your nickel.

Don't forget to pull the chain. Knee high to a grasshopper. Well, Fiddlesticks! Going like sixty. I'll see you in the funny papers. Don't take any wooden nickels, Heavens to Murgatroyd!

**It turns out there are more of these lost words and expressions than Carter has liver pills.**
