DEL AIRE NEIGHBORHOOD  
 WATCH ASSOCIATION

APRIL 2016

## From the DANWA President:

Greeting Friends & Neighbors,

Ah spring time in Oklahoma. The days are getting longer and warmer. The birds are singing and those darn yellow and purple weeds are everywhere. With spring comes the possibility of severe weather, heavy rains leading to flooding, high winds, lightning, and tornados. Now I know that you have heard it many times but it's worth repeating. **BE PREPARED, HAVE A PLAN.** Make sure all family members know where to go and what to do. Have enough supplies on hand to last a week or more; food, water, medications, clothes, cash. Make sure that important papers are protected but available; insurance policies, birth certificates, etc. Your individual list should be far more comprehensive. Hopefully we will avoid any bad weather, but should it happen, try to stay calm. If you have a plan of action, you can act, not just re-act.

We want to thank Monica Cardin, City Planner for Del City, for coming into our March meeting and presenting us with a lot of good information dealing with Floodplain and Storm water. If you missed her and have other questions, her office is at the city building location at 3701 S.E. 15th, phone number 405-671-2815.

April's guest speaker will be Mark Edwards, City Manger for Del City. Come join us. We found that Mr. Edwards was ill the last time he was scheduled to come.

For those who have been asking, the first 2016 Free Dump will be April 22-23-24 with Hartsdel as monitor (for times and other dates see below).

May 9th we will have a covered dish dinner at 6pm, prior to our regular DANWA meeting. Contact Pat Satterwhite 405-412-7925 if you wish to participate.

This year looks to be full of lots of activities, so hang on, and come join us. See you may 9th. May God Bless and Look after you and yours.

Ron McCall, DANWA President, 677-7923 [danwapres@cox.net](mailto:danwapres@cox.net)

**WE STILL NEED ADDITIONAL block captains to  
deliver newsletters once a month**

1. Tempo from Vickie to Delta  
**Contact Steve Gold  
670-2878**

Just a little bit of volunteering won't hurt much. Some blocks only have 20 homes to deliver to, most are less than 25 homes. If you can help with any of these please contact any of the District Captains above. It's really not hard to volunteer one day out of the month and it proves to be good exercise by delivering the newsletter door to door for your particular block or blocks. You might even meet your neighbors.

**You don't have to be a member to volunteer to  
deliver the newsletters.**

**A HUGE THANKS TO THOSE NEW  
VOLUNTEERS FOR HELPING PICK UP  
THE LOAD**

### March 2016 General Membership meeting highlights

The meeting began with 21 people present.

Previous Minutes were approved

Treasurer report was approved

Crime Stats were presented

Guest speaker City Planner—provided a lot of flood information

Dump dates were discussed and presented

Update on guest speakers

Door prize was drawn

Meeting adjourned at 8:05pm.

DANWA would like to again take this opportunity to thank those of you who donate **over and above** the yearly dues and to let you know how much we appreciate it. That extra money goes to help pay for our projects. A reminder to everyone that **NONE** of the money goes to anyone for patrolling—that is to say each patroller pays for his or her own gas, insurance, vehicle and not one cent goes toward those costs.

**EACH PATROLLER IS A VOLUNTEER with their time and assets.**

### Notice regarding membership applications!!!!

If they are blank, i.e. no phone numbers, no emergency contacts, we don't have any way of contacting you in an emergency situation like your garage door is open, or it appears someone has broken in the front door, maybe you have water gushing out somewhere around the house and you aren't there..... We don't know who to call! We might have last years membership application but that doesn't mean we have your latest phone number or your latest emergency contact; so be sure and put that information on the application. And as a reminder, the emergency phone number should be LOCAL not California, Maine, Florida.....someone close by who might know where you are or maybe they have keys to your house and can secure it.....

### Local Lawn Mowing Service!!

**Get MOW for your money!**

While we do have a **CONFIDENTIAL** database with information regarding our neighborhood watch, that does not prove to be accurate if you have changed your phone number or Emergency Contact information within the last year or two. There have been and still are instances where the application only has a name and address..... With your help to insure your information is correct it helps us to be able to contact you in an emergency!

We are still looking for ideas and speakers to provide information at the general meetings. If there is someone you would like others to hear from or to provide information about, get on board, contact any one of the officers and let them know.

Thanks, Newsletter Editor

## FROM ONE FRIEND TO ANOTHER

Written by Andy Rooney, a man who had the gift of saying so much with so few words. Rooney used to be on 60 Minutes TV show. What a cool old dude.

I've learned....That the best classroom in the world is at the feet of an elderly person.

I've learned....That when you're in love, it shows.

I've learned ....That just one person saying to me, 'You've made my day!' makes my day.

I've learned....That having a child fall asleep in your arms is one of the most peaceful feelings in the world.

I've learned....That being kind is more important than being right.

I've learned....That you should never say no to a gift from a child.

I've learned....That I can always pray for someone when I don't have the strength to help him in any other way.

I've learned....That no matter how serious your life requires you to be, everyone needs a friend to act goofy with.

I've learned....That sometimes all a person needs is a hand to hold and a heart to understand.

I've learned....That life is like a roll of toilet paper. The closer it gets to the end, the faster it goes.

I've learned....That we should be glad God doesn't give us everything we ask for.

I've learned....That money doesn't buy class.

I've learned....That it's those small daily happenings that make life so spectacular.

I've learned...That under everyone's hard shell is someone who wants to be appreciated and loved.

I've learned....That to ignore the facts does not change the facts.

I've learned....That when you plan to get even with someone, you are only letting that person continue to hurt you.

I've learned....That love, not time, heals all wounds.

I've learned....That the easiest way for me to grow as a person is to surround myself with people smarter than I am.

I've learned....That everyone you meet deserves to be greeted with a smile.

I've learned....That opportunities are never lost; someone will take the ones you miss.

I've learned....That when you harbor bitterness, happiness will dock elsewhere.

I've learned....That one should keep his words both soft and tender, because tomorrow he may have to eat them.

I've learned....That a smile is an inexpensive way to improve your looks.

I've learned....That when your newly born grandchild holds your little finger in his little fist, you're hooked for life.

I've learned....That the less time I have to work with, the more things I get done.
