DEL AIRE NEIGHBORHOOD
 WATCH ASSOCIATION

JUNE 2016

From the DANWA President:

Greeting Friends & Neighbors,

Do you or your spouse like motorcycles? Do you kids like dogs? Well do we have an outing for you. Just prior to the next DANWA meeting (**June 13th, 6 pm**) the Del City Police Dept. will be joining us with 3 of it's most recently acquired, crime fighting tools. Two fully equipped Harley Davidson police motorcycles, with riders, and very well trained, 2 yr old police dog named Pony, will be available for your viewing. So round up the gang and come join us.

Speaking of crime fighting, did you know that you too can help make our neighborhood a better and safer place to live? No! It doesn't take any special training, there's no age or gender restrictions, and you can remain anonymous. All it takes is a simple phone call to 405-677-2449, if you see something that just looks or sounds suspicious. OR Call 911 if it's an emergency / crime in progress. Be a good neighbor and help keep us all safe.

Another aspect of crime fighting that you have expressed some concern about deals with the number of, or lack of, "**blinky lights**" you see around the area at night. The response is basically two fold; First, the number of qualified patrollers has gradually declined to just a handful, and they can only put in so may hours. Second, the statistics we receive from the Police Dept., show that the majority of the crime in our city occurs during the daytime, when residents are at work, school, etc. Thus we have adjusted our patrolling more to the daylight time. (The "**blinky lights**" don't show up as well during the day—but we're out there).

Well, Joe said he had some other words of wisdom, he wanted to put on this page, so I'll close. See you June 13th. May God bless and keep you and yours.

Ron McCall, DANWA President, 677-7923 danwapres@cox.net

Mowing season is upon us. If you mow your own lawn, be mindful of where the grass clippings go and attempt to get them out of the street, not in your neighbors yard but back in your yard and if you have someone else doing it for you, remind them that you want your street looking good when they finish.

On that note, there is an ordinance regarding this condition as well, so save yourself a possible fine and be aware where your clippings go.

**WE STILL NEED ADDITIONAL block captains to
deliver newsletters once a month**

1. Tempo from Vickie to Delta
Contact Steve Gold
670-2878

Just a little bit of volunteering won't hurt much. Some blocks only have 20 homes to deliver to, most are less than 25 homes. If you can help with any of these please contact any of the District Captains above. It's really not hard to volunteer one day out of the month and it proves to be good exercise by delivering the newsletter door to door for your particular block or blocks. You might even meet your neighbors.

**You don't have to be a member to volunteer to
deliver the newsletters.**
