DEL AIRE NEIGHBORHOOD
 WATCH ASSOCIATION

SEPTEMBER 2016

From the DANWA President:

Greeting Friends & Neighbors,

Ok, what shall we talk about this month? The weather, all we can do is try to prepare for what might be coming but we can't do anything to change it. The economy, it's great if you have a good job, and it sucks if you don't. Sports, some analysts have already picked the National Champion and the first game hasn't even been played yet.

How about Friends and Neighbors? For some of us the terms are the same. The bad weather deals a nasty blow, neighbors help each other pick up the pieces afterward. If a friend is suffering financially, we help them get through the hard times, (It's the neighborly thing to do). So what does all of this have to do with the neighborhood watch? Well that's exactly what DANWA is, it's friends and neighbors helping friends and neighbors. If we notice a neighbor's property in jeopardy, we call the police or fire department. If a friend is going through some difficult times, we offer comfort and support. We help our local schools, we help with traffic control during parades and sport runs, and yes, we drive around with our blinky lights on, watching for situations that aren't quite right. When we find them, we report them to the proper authorities. **AND A WHOLE BUNCH MORE!** Plus, we are all volunteers, no one receives any compensation for their time and efforts. We are just Friends and Neighbors helping out.

Now it appears that we need your help. Somehow we ended up with some left over ice cream after our August 8th meeting. So, while supplies last, we will be serving ice cream at our September 12th meeting. Please come help us consume the rest.

May God bless and keep you and yours, safe and well.

Ron McCall, DANWA President, 677-7923 danwapres@cox.net

August 3, 2016, Base 70 went 10-7 for the last time. The family of Linda McCall appreciate all the support, love and prayers, you have extended. Thank you

If you would like to be a block captain to and deliver newsletters once a month

Need block captains for:

Ridgeway (Vickie to Del View, to creek)

Elmview (Vickie to Ridgeway)

Contact Steve Gold 670-2878

Just a little bit of volunteering won't hurt much. Some blocks only have 20 homes to deliver to, most are less than 25 homes. If you can help with any of these please contact any of the District Captains above. It's really not hard to volunteer one day out of the month and it proves to be good exercise by delivering the newsletter door to door for your particular block or blocks. You might even meet your neighbors.

You don't have to be a member to volunteer to deliver the newsletters.

A HUGE THANKS TO THOSE NEW VOLUNTEERS FOR HELPING PICK UP THE LOAD

As editor of this newsletter, it is with great sadness that I must say “so long until we meet again” to a couple of long time members/readers/friends: Linda McCall, (our president, Ron’s wife) passed August 3rd and Bettie Brown passed August 10th. Our prayers for comfort continue to go out to the families. Rest in peace ladies. From the DANWA officers.

With all of the “terror” surrounding our world nowadays, it’s important that we as individuals know what to do in a situation of someone shooting. Yes, I don’t like the idea either but we have the right to protect our family and ourself.

I recently attended an evening of information regarding security of oneself regardless of where we are: church, fast food area, the mall, gas station, work place, etc. you name it. The following information might save your life in our current radical world. It was explained what an active shooter was and what to do in an “Active Shooter Event”. When an Active Shooter is in your vicinity, you must be prepared both mentally and physically to deal with the situation.

An active shooter is an individual actively engaged in killing or attempting to kill people in a populated area.

- Victims are selected at random.
 - Event is unpredictable and evolves quickly.
 - Knowing what to do can save lives.
1. **RUN—**
 - Have an escape route and plan in mind.
 - Leave your belongings behind.
 - Evacuate regardless of whether others agree to follow.
 - Help others escape, if possible.
 - Do not attempt to move the wounded.
 - Prevent others from entering an area where the active shooter may be.
 - Keep your hands visible. Call 911 when you are safe.
 2. **HIDE**
 - Hide in an area out of the shooter’s view.
 - Lock door or block entry to your hiding place.
 - Silence your cell phone (including vibrate mode) and remain quiet.
 3. **FIGHT**
 - Fight as a last resort and only when your life is in imminent danger.
 - Attempt to incapacitate the shooter.
 - Act with as much physical aggression as possible.
 - Improvise weapons or throw items at the active shooter.
 - Commit to your actions . . . Your life depends on it.

The first officers to arrive on scene will not stop to help the injured. Expect rescue teams to follow initial officers. These rescue teams will treat and remove the injured. Once you have reached a safe location, you likely will be held in that area by law enforcement until the situation is under control and all witnesses have been identified and questioned. Do not leave the area until law enforcement authorities have instructed you to do so.

When law enforcement arrives:

- Remain calm and follow instructions
- Drop items in your hands, (e.g.. bags, jackets)
- Raise hands and spread fingers.
- Keep hands visible at all times
- Avoid quick movements toward officers such as holding on to them for safety.
- Avoid pointing and screaming or yelling.
- Do not ask questions when evacuating.

Information to provide 911 operators:

- Location of the active shooter.
- Number of shooters.
- Physical description of shooters.
- Number and type of weapons shooter has.
- Number of potential victims at location.

If you have further questions, contact the FBI at 1 (202) 324-3691 seriously...
