DECEMBER 2016

From the DANWA President:

Greeting Friends & Neighbors,

Man, can you believe that pre-thanksgiving day weather, close to 90° on Thursday and below freezing on Saturday.

We've heard the old saying "Sometimes Less is More", so I'm going to KISS it.

As the New Year approaches, I wish all a very

Merry Christmas

and

Happy New Year

May GOD bless and keep you and yours.

I'll take this opportunity to thank all the officers for their past and present volunteer participation. I know it takes a lot of your personal time to accomplish your tasks. Also I want to thank the District Captains for your efforts in getting the newsletter out as quickly as you can and I realize it also takes an excessive amount of your time to get the newsletters to the Block Captains. Block Captains, I am super proud to tell you how much I appreciate your willingness to weather the heat and cold to get the newsletters to their destination; countless times I have wondered if we were going to make it because our printer was late in finishing the copying in a timely manner but by the same token, their ability to meet the timelines they have given themselves to assist the neighborhood watches in providing the information to the watch groups. THANK YOU and from my side of the fence, God Bless you, God Bless America, and Merry Christmas to all and to all a Happy New Year.

Joe Satterwhite, Editor

If you would like to be a block captain to and deliver newsletters once a month

Need block captains for:

Ridgeway (Vickie to Del View, to creek)

Elmview (Vickie to Ridgeway)

Contact Steve Gold 670-2878

Just a little bit of volunteering won't hurt much. Some blocks only have 20 homes to deliver to, most are less than 25 homes. If you can help with any of these please contact any of the District Captains above. It's really not hard to volunteer one day out of the month and it proves to be good exercise by delivering the newsletter door to door for your particular block or blocks. You might even meet your neighbors.

You don't have to be a member to volunteer to deliver the newsletters.

A HUGE THANKS TO THOSE NEW VOLUNTEERS FOR HELPING PICK UP THE LOAD

 5. Keeps the flies off of Cows, Horses, and other Farm Critters, as well. (Ya gotta love this one!!!)
 6. Restores and cleans chalkboards.
 7. Removes lipstick stains.
 8. Loosens stubborn zippers.
 9. Untangles jewelry chains.

 15. Camouflages scratches in ceramic and marble floors.
 16. Keeps scissors working smoothly.
 17. Lubricates noisy door hinges on both home and vehicles doors.
 18. It removes that nasty tar and scuff marks from the kitchen flooring. It doesn't seem to harm the finish and you won't have to scrub nearly as hard to get them off. Just remember to open some windows if you have a lot of marks.
 19. Remove those nasty bug guts that will eat away the finish on your car if not removed quickly!
 20. Gives a children's playground gym slide a shine for a super fast slide.
 21. Lubricates gearshift and mower deck lever for ease of handling on riding mowers.

 36. Folks even spray it on their arms, hands, and knees to relieve arthritis pain.
 37. Florida's favorite use is: 'cleans and removes love bugs from grills and bumpers.'
 38. The favorite use in the state of New York, it protects the Statue of Liberty from the elements.
 39. WD-40 attracts fish. Spray a little on live bait or lures and you will be catching the big one in no time. Also, it's a lot cheaper than the chemical attractants that are made for just that purpose. Keep in mind though, using some chemical laced baits or lures for fishing are not allowed in some states.
 40. Use it for fire ant bites. It takes the sting away immediately and stops the itch.
 41. It is great for removing crayon from walls. Spray it on the marks and wipe with a clean rag.
 42. Also, if you've discovered that your teenage daughter has washed and dried a tube of lipstick with a load of laundry, saturate the lipstick spots with WD-40 and rewash. Presto! The lipstick is gone!
 43. If you spray it inside a wet distributor cap, it will displace the moisture, allowing the engine to start.
- P.S. As for that Basic, Main Ingredient..... Well.... it's FISH OIL....

I have never tried any of these but if you do and they work, send us a text or email for your thoughts of it.
