Dates to remember:

DANWA General Meeting— Calvary Christian Church in the annex just north of the church, 3900 Epperly Dr. at 7:00 pm, second Monday of the month.

The Patrol Meeting will follow the General Membership meeting at the Calvary Christian Church annex.

CERT General Training Meeting, at 7:00 pm, Del City Community Center, second Tuesday of the month.

Del Aire Defender

DEL AIRE NEIGHBORHOOD
 WATCH ASSOCIATION

JANUARY 2017

From the DANWA President:

Greeting Friends & Neighbors,

OK! You've boxed up most of the holiday decorations that go back in the attic and returned those ill-fitting / unwanted gifts. You're deliberating on which diet plan or fitness club is going to help you lose those extra pounds the quickest. (There has to be something wrong with those scales, there's no way I could have eaten that much). But, have you noticed that in spite of all the anxiety, the hustle and bustle, most people are just in a better mood during the holidays. Ain't it great?

As the New Year beckons us, we welcome two new, but familiar faces to the Executive Board; Laura McMurtry will replace Yvonne Hirsch as Treasurer and Linda Hendricks will replace Rose Mary Bolton as Assistant Treasurer. I personally want to thank Yvonne and Rose Mary for their dedication and service.

We are now officially into winter and with it comes cold weather (which we already know). There are bunches of check lists and "Do's" and "Don'ts" when dealing with cold weather. What to wear & how to dress, check on your neighbors and the elderly (and pets). Winterize your home and vehicle. What to have with you in your vehicle. What to eat and drink. The underlying theme of all of these is think survival, think safety. (Sometimes I think bears have it right—go to bed when it starts to get cold and wake up when it starts to get warm).

Remember, a smile is a frown turned right side up.

God bless and keep you and yours.

Ron McCall, DANWA President, **677-7923** danwapres@cox.net

Good items to have in the car when going out and away from home:

- | | |
|----------------------------|-------------------------------|
| Blanket or sleeping bag | First aid kit |
| Ice scraper | Spare windshield washer fluid |
| Boots | Phone Charger |
| Dried Foods | Flashlight |
| Couple of bottles of water | Flares |
| Jumper cables | Wind up radio |
| Bag of sand | A shovel |
| Extra Batteries | A small tool kit |

Yes it sounds like you just came from the store and sounds like a lot but better to have than to not have.

If you would like to be a block captain to and deliver newsletters once a month

Need block captains for:

Ridgeway (Vickie to Del View, to creek)

Elmview (Vickie to Ridgeway)

Contact Steve Gold 670-2878

Just a little bit of volunteering won't hurt much. Some blocks only have 20 homes to deliver to, most are less than 25 homes. If you can help with any of these please contact any of the District Captains above. It's really not hard to volunteer one day out of the month and it proves to be good exercise by delivering the newsletter door to door for your particular block or blocks. You might even meet your neighbors.

You don't have to be a member to volunteer to deliver the newsletters.

A HUGE THANKS TO THOSE NEW VOLUNTEERS FOR HELPING PICK UP THE LOAD

**Here's hoping everyone had a
Merry Christmas and a Happy New Year—
continue to drive safely**

Winter terms to know:

Freezing Rain—Rain that freezes on contact with roads, trees, sidewalks, etc.

Sleet—Rain that freezes before hitting the ground.

Winter storm watch—A winter storm is possible in the area.

Blizzard warning—Winds or gusts 35 mph or greater, along with snow are expected to last 3 hours or more.

Winter storm warning—A winter storm is occurring or will begin soon.

Frost/freeze warning—Temperatures are expected to drop below freezing.

During and after a Winter Storm

- Conserve heating fuel by shutting off unused rooms.
- Wear several layers of clothing and hat outdoors. Cover your mouth with a scarf to protect your lungs.
- Don't overexert yourself while shoveling snow
- Watch for signs of frostbite: loss of feeling along with paleness in tip of nose, fingers, toes and ear lobes.
- Beware of hypothermia. Signs include uncontrollable shivering, slurred speech, drowsiness, memory loss and disorientation.
- Avoid driving at night or alone. Notify others of your schedule and route.

If Your Vehicle Is Stranded in a Blizzard

- Pull off the road and turn on your hazard lights.
- Do not start walking unless you can see a building where you can take shelter.
- If no buildings are in sight, stay in your vehicle where rescuers are more likely to find you.
- Wrap yourself in blankets or use seat covers, floor mats and maps.
- Run the engine for 10 minutes each hour to keep warm. Open a window slightly for ventilation.
- Balance use of the heater and lights to conserve the battery.
- If stuck in a remote location spell out "HELP" or "SOS" with rocks or branches.

Winterize Your Vehicle

- Check the wipers, battery, heater, defroster, ignition system, lights, oil, and tire pressure.
- Consider purchasing snow tires or chains.
- Pack a winter emergency kit with a window scraper, blankets, battery-powered radio, flashlight, water, snack food, tow chain or rope, shovel and flares.

Check your spigots and make sure your hoses are not connected—could cause the pipes to freeze and burst.

For those who have outside animals, continue to check their water and if shelter is available.
