DEL AIRE NEIGHBORHOOD  
 WATCH ASSOCIATION

JUNE 2017

## From the DANWA President:

Greetings Friends & Neighbors,

Don't you just love a great parade on a beautiful spring day, and then to have a friendly picnic afterwards? It doesn't get much better than that. I trust Mother's Day was as outstanding for all of you ladies. School is out for the summer, so most kids are glad for that. With Memorial Day and event filled May comes to an end and summer begins on June 21. Whoa, don't forget Father's Day on June 18th, **Happy Father's Day !!**

OKAY, soap box time.

As I mentioned, school is out, so obviously more children will be out about during the day. Please be vigilant as you drive through the neighborhood. I know there are "Slow Children Playing" signs scattered throughout the area and they help make us aware, but on those streets that aren't posted "Fast Kids" may be playing, which means, they can be in front of your car that much quicker. So stay alert.

Did you know that except for Vickie and School zones, the posted speed limit within our mile is 25 miles an hour? Sooner, Sunnyslane, S.E. 29th, and S.E. 44th are all posted at 45 mph. Those are all maximum speed limits, you are allowed to go slower. (there is an exception between S.E. 41st and S.E. 44th on Lamar Dr. the not posted speed limit is 15 mph, bet you didn't know that.)

Oh, and by the way those RED octagon signs with white letters, those read STOP, that means you are supposed to cease all movement of your vehicle, not maintain current speed, or slow down, but stop. Remember, in situations of a vehicle/pedestrian accident, the vehicle driver is most likely at fault and the pedestrian almost never comes out ahead.

Don't forget our next DANWA General Meeting, June 12, 2017, 7 pm. Calvary Christian Church Annex. See you there.

May God bless and keep you and yours.

If you would like to be a block captain and deliver newsletters once a month

**Need block captains for:**

Ridgeway (Vickie to Del View, to creek)  
Elmview (Vickie to Ridgeway)  
**Contact Steve Gold 670-2878**

Angela Dr. (Angela Circle to Oakbrook)  
**Contact Yvonne Hirsch 670-3971**

Vickie Dr. from S.E. 31st to S.E. 37th  
S.E. 37th from Vickie Dr. to Epperly Dr.  
**Contact Ron McCall 677-7923**

Just a little bit of volunteering won't hurt much. Some blocks only have 20 homes to deliver to, most are less than 25 homes. If you can help with any of these please contact any of the District Captains above. It's really not hard to volunteer one day out of the month and it proves to be good exercise by delivering the newsletter door to door for your particular block or blocks. You might even meet your neighbors.

You don't have to be a member to volunteer to deliver the newsletters.

Oh wow, a parade and following that week the Thunderbirds at Tinker, what better could you ask to celebrate our Freedom and free country and I hope you are enjoying our free country.

We have to thank God for the rain and protection from severe weather during last month!

If you haven't taken the time to check out the new fire station—do it—it is going to be an absolutely great place.

Frequently Asked Questions regarding The Regulations Of Animals In Del City.

**Parents & children, before leaving to work or school, please be sure all animals are secure in the yard or in house. A lot of dogs are running at large because they are not secured before you leave the house.**

Sec. 4-3

Ord. No 882, § 1, 9-6-88)

This is to inform all Del City residents of the "At large" or otherwise known as the "leash" ordinance and other frequently asked questions.

The term "At large" means not securely confined by a fence or other means (leash) on premises under the control of, or occupied by, the owner, and not under the control of the owner, a member of his immediate family over twelve (12) years of age or an agent of the owner, by leash or otherwise, whether on the owner's premises or not.

Simply stated: The animal must be on a leash even if on your property in the front yard, otherwise in a fenced in area.

How many animals is each household allowed to have? Answer: 4 (Any combination of cats or dogs).

**Puppies:** After puppies are 6 months old, they are considered in your household part of the 4 animals you are allowed to have.

**Kennels:** The term "kennel" means any location where three or more female dogs, for the purpose of breeding, beyond the age of 6 months or a total of five dogs, both male and female, are kept, harbored, boarded, sheltered, or bred.

Is it mandatory to have **dogs** and **cats** vaccinated against Rabies? YES!

It is not recognized if you purchase the vaccine and give it yourself. It has to be given by a licensed Veterinarian. If the dog isn't wearing the tag, you must have the proper paperwork available upon request. It is highly recommended the animal wears the rabies tag so if he does get lost, we can contact you the owner.

Are Pit Bulls allowed in Del City? Yes.

But, no "vicious animals" of any breed are allowed in Del City.

"Vicious Animal" is defined as one not only of disposition to attack a person or animal it may meet, but it includes as well a natural fierceness or disposition to mischief, as may occasionally lead to attack human beings or animals without provocation.

So have you noticed that Dominos Pizza has moved to S.E. 29th street, and behind or south of the Oncue and car wash is supposed to be a Chicken Express—eating place. I have to say I forgot to mention that Peter Piper Pizza is open and running on S.E. 15th just west of Harbor Freight. Go Del City Go.....we're moving onward and upward.

I would also like to invite everyone who might read the newsletter to think about participating as a block captain who delivers newsletters or becoming a patroller (we're short of those and can use some new fresh blood), and we need members to come to the meetings to help us decide what to do as a neighborhood watch association—we need more participation of the near 400 members. Do you realize there is less than 1 percent of the membership that decide what our association does. Yep that is right, when you have only 10 to 15 people who vote on projects out of nearly 400, there seems to be no or not too much new stuff comes up for our neighborhood to work with. And by not attending the meetings, you are missing out on definitely cookies and possible lunches or snacks when we decide to have a local picnic or whatever. So come on out, next meeting is the first Monday in June—don't miss it. I personally look forward to seeing you there. Editor.....
