DEL AIRE NEIGHBORHOOD
 WATCH ASSOCIATION

JANUARY 2018

From the DANWA President:

Greetings Friends & Neighbors,

The DANWA election of officers was held at the December 11th meeting. If you were unable to attend the meeting, let me recap. The pre-election poles were all over the place with the spread very narrow. The initial list of potential candidates started out high, but through negotiations, quickly dropped to three. Debates between the nominees were relatively civil, yet you could feel the tension in the room. When the results were finalized, no one challenged the outcome. Your DANWA offices for 2018 are:

- President: Ron McCall
- Vice President: Jim Gordon
- Secretary: Pat Satterwhite

The positions of Treasurer, Assistant Treasurer, and Patrol Captain went unfilled

Any DANWA member in good standing, who passes a background check by the DCPD is eligible to be elected to an office. (The Patrol Captain must also be an active patroller.)

I know many of you already volunteer as block captains, committee members, etc., and I am very thankful that you do. The truth is we need fresh, young individuals, who care about our area to come forward and bring new ideas and leadership if we are going to move on. The future of DANWA and its endeavors to protect and serve our community depends on our actions today.

Now to a lighter side:

1. John and Yvonne Hirsch—took the \$546.00 in DANWA donations to purchase and deliver our contribution to the Tinker Food Bank. Judging from the nice letter we received, the donation was greatly appreciated. Thank you John and Yvonne.
2. DCPD Officer Brad Cowden - used the \$401.00 of DANWA monies, put it with other contributions, to help 15 Del City children have a better Christmas through the Shop With A Cop program. Each child received about \$150.00 in merchandise (food, clothes, toys, etc.).

Last month I mentioned that we were in the time of year for reflection back on our past performance. We are now entering the time for planning our future actions and activities,. So I would love to hear from more of you. Leave me a phone message, drop me an email, come to the meetings and speak up or use the suggestion jar. Believe me, every comment/suggestion will be considered respectfully. Help make 2018 exciting and fun.

Well time to go. I hope to see you at our January 8th meeting.

May God Bless you and yours.

Ron McCall, DANWA President, **677-7923 danwapres@cox.net**

Days to fly the flag.

**Come on People!
We need YOUR HELP!!!**

Need block captains for:

Ridgeway (Vickie to Del View, to creek)
Elmview (Vickie to Ridgeway)
Contact Steve Gold 670-2878

Angela Dr. (Angela Circle to Oakbrook)
Contact David Ellison 672-7904

S.E. 37th (Epperly to Sunnyslane)
Contact Ron McCall 677-7923

Just a little bit of volunteering won't hurt much. Some blocks only have 20 homes to deliver to, most are less than 25 homes. If you can help with any of these please contact any of the District Captains above. It's really not hard to volunteer one day out of the month and it proves to be good exercise by delivering the newsletter door to door for your particular block or blocks. You might even meet your neighbors.

You don't have to be a member to volunteer to deliver the newsletters.

**A HUGE THANKS TO THOSE
VOLUNTEERS FOR HELPING PICK UP THE
LOAD**

**December 2017 General

Had a reader give me the following:

So you think you know everything?

A dime has 118 ridges around the edge. A cat has 32 muscles in each ear. A dragonfly has a life span of 24 hours. A crocodile cannot stick out its tongue. A goldfish has a memory span of three seconds. A snail can sleep for three years. A shark is the only fish that can blink both with both eyes. A "jiffy" is an actual unit of time for 1/100th of a second. Al Capone's business card said he was a used furniture dealer. All 50 states are listed across the top of the Lincoln Memorial on the back of the \$5 bill. Almonds are a member of the peach family. An ostrich's eye is bigger than its brain. Babies are born without kneecaps. The don't appear until the child reaches 2 to 6 years of age. Butterflies taste with their feet. Cats have over one hundred vocal sounds. Dogs only have about 10. "Dreamt" is the only English word that ends in the letters "mt". February 1865 is the only month in recorded history not to have a full moon. In the last 4,000 years no new animals have been domesticated. If the population of China walked past you, in single file, the line would never end because of the rate of reproduction. If you are an average American, in your whole life, you will spend an average of 6 months waiting on red lights. It's impossible to sneeze with your eyes open. Leonardo Da Vinci invented the scissors. Main is the only state whose name is just one syllable. No word in the English language rhymes with month, orange, silver, or purple. On a Canadian two dollar bill, the flag flying over the Parliament building is an American flag. Our eyes are always the same size from birth, but our nose and ears never stop growing. Peanuts are one of the ingredients of dynamite. Rubber bands last longer when refrigerated. "Stewardesses" is the longest word typed with only the left hand and "lollipop" with your right. The averages person's left hand does 56% of the typing. The cruise liner, QE2, moves only six inches for e3ach gallon of diesel that it burns. The microwave was invented after a researcher walked by a radar tube and a chocolate bar melted in his pocket. The sentence: "The quick brown fox jumps over the lazy dog" uses every letter of the alphabet. The winter of 1932 was so cold that Niagara Falls froze completely solid. The words "racecar", "kayak" and "level" are the same whether they are read left to right or right to left (palindromes). There are 293 ways to make change for a dollar. There are more chickens than people in the world. There are only four words in the English language which in "dous": tremendous, horrendous, stupendous, and hazardous. There are two words in the English language that have all five vowels in order: "abstemious" and "facetious". There's no Betty Rubble in the Flintstones Chewables Vitamins. Tigers have striped skin, not just striped fur. TYPEWRITER is the longest word that can be made using the letters only on one row of the keyboard. Winston Churchill was born in a ladies' room during a dance. Women blink nearly twice as much as men. Your stomach has to produce a new layer of mucus every two weeks; otherwise it will digest itself.

NOW, you know everything.

we need three more volunteers.

Congratulations to our officers as they continue to accept the volunteer positions of :

President: Ron McCall (reinstalled)

Vice President: James Gordon (reinstalled)

Secretary: Pat Satterwhite (reinstalled)

Patrol Captain: vacant need volunteer

Treasurer: vacant need volunteer

Assistant Treasurer: vacant need volunteer

Please come to next meeting and congratulate them and show your appreciation and volunteer.
