DEL AIRE NEIGHBORHOOD  
 WATCH ASSOCIATION

JULY 2018

## From the DANWA President:

Greetings Friends & Neighbors,

First let me give a **BIG THANK YOU** to all of those who attended our June 11th meeting. Thanks to your support we were able to have a quorum and thus take care of business. Not only were previous Secretary Minutes and Treasurer Reports approved, we also voted into office our new Patrol Captain, David Ellison (congratulation) and approved a change to the DANWA By-Laws dealing with the temporary appointment of a vacant officer position.

DCPD Lt. Brad Rule, our Community Policing Officer (CPO), reported that a crackdown on the failure of drivers to obey **STOP SIGNS**, had resulted in 77 citations being issued **in our area** from May 1st to May 18th. While concentrated enforcement efforts have moved on to other parts of Del City, the selected areas are at random and based on resident complaints. So remember, that **STOP SIGN** is not a suggestion nor does it mean to just slow down, it means **STOP!!!**

Future meetings will include:

July 9—Guest Speaker Carol Goodwin from the Del City Chamber of Commerce will join us with some updates. Carol is also a member of the Del City Planning Commission and Beautification Committee. This should be a very informative meeting.

September 10—Guest Speaker Major Brandon Pursell from the Del City Fire Dept. will join us. His primary topic has yet to be determined but I'm sure it will be interesting due to this wide range of expertise.

I would like to wish everyone a happy and safe Independence Day.

May the Lord keep you and yours safe and well.

Ron McCall, DANWA President, 677-7923 [danwapres@cox.net](mailto:danwapres@cox.net)

**October 27**—Navy Day

**Come on People!  
We need YOUR HELP!!!**

**Need block captains for:**

Angela Dr. (Angela Circle to Oakbrook)  
**Contact David Ellison 672-7904**

Vickie from S.E. 37th to S.E. 42nd  
**Contact Jim Highfill 677-5044**

Just a little bit of volunteering won't hurt much. Some blocks only have 20 homes to deliver to, most are less than 25 homes. If you can help with any of these please contact any of the District Captains above. It's really not hard to volunteer one day out of the month and it proves to be good exercise by delivering the newsletter door to door for your particular block or blocks. You might even meet your neighbors.

**You don't have to be a member to volunteer to deliver the newsletters.**

**June 2018 General

**Missed Call From An Unknown Number? Better Business Bureau Warns Of "One Ring" Scam**

The Better Business Bureau is warning people who use cell phones about a simple "one ring" scam. It preys on curious minds and missed calls.

Scammers are using auto dialers to call thousands and thousands of cell phones. They let it ring once, and then when you look to see who called, some may call that number back and then you are automatically going to be charged \$29 additional on your phone bill. The calls cost \$20 up front and then \$9 for each additional minute.

The unknown number is usually from outside the United States, but they use the same country code (+1, which we share with Canada and almost all of the Caribbean nations, from the Bahamas to Jamaica), so it looks like a US number. And, while the FTC requires US numbers to inform the caller up front of additional charges, international numbers are not subject to that rule.

Protect yourself by not calling unknown numbers back. Or, if you feel that you need to call the number back, search the web first with the full number to find out where it originates and what person or company may have ties to the number. And lastly, check your phone bills carefully and call your cell phone carrier if you suspect anything.

=====

A well known heart surgeon was in a shop, waiting for the service manager to come and take a look at his bike.

The mechanic shouted across the garage, "Hey, Doc, can I ask you a question?"

The surgeon a bit surprised, walked over to the mechanic working on the motorcycle. The mechanic straightened up, wiped his hands on a rag and asked, "So Doc, look at this engine. I open its heart, take the valves out, fix 'em, put 'em back in, and when I finish, it works just like new. So how come I get such a small salary and you get the really big bucks, when you and I are doing basically the same work?"

The surgeon paused, smiled and leaned over, and whispered to the mechanic...

"Try doing it with the engine running."
