 WATCH ASSOCIATION

AUGUST 2018

## From the DANWA President:

Greetings Friends & Neighbors,

Let me begin by thanking Carrol Goodwin from the Del City Chamber of Commerce, for joining us at our July 9th meeting. Her presentation was both informative and interesting. I for one was unaware how much the Chamber is involved in civic and community activities outside the business realm. Hopefully she will accept our request for a future return.

Having passed the halfway mark in the calendar year, as well as the *HOT* summer months, DANWA has delivered a total of over 50 cases of Gatorade to the Del City Police and Fire Departments. Both departments have been very appreciative of our contributions. With a considerable amount of hot weather to go, it's good that we have only used a little more than half the allocated funds.

On the topic of hot weather, don't forget to check on our elderly relatives, friends, and neighbors. If you are working or playing outside, drink plenty of WATER, (if you feel thirsty you are behind on your intake). Finally, don't forget our furry friends. A container of water setting in the sun can equal or exceed the air temperature.

(Source Unknown) - the least common attribute in today's society seems to be common sense. Come join us at our next meeting on August 13th. Hope to see you there.

May God bless keep you and yours.

## Need block captains for:

S.E. 35th from Vickie to Sunnyslane  
Contact Ron McCall 677-7923

Angela Dr. (Angela Circle to Oakbrook)  
Contact David Ellison 672-7904

Just a little bit of volunteering won't hurt much. Some blocks only have 20 homes to deliver to, most are less than 25 homes. If you can help with any of these please contact any of the District Captains above. It's really not hard to volunteer one day out of the month and it proves to be good exercise by delivering the newsletter door to door for your particular block or blocks. You might even meet your neighbors.

You don't have to be a member to volunteer to deliver the newsletters.

Frequently Asked Questions regarding The Regulations Of Animals In Del City.

Parents & children, before leaving to work or school, please be sure all animals are secure in the yard or in house. A lot of dogs are running at large because they are not secured before you leave the house.

Sec. 4-3

Ord. No 882, § 1, 9-6-88)

This is to inform all Del City residents of the "At large" or otherwise known as the "leash" ordinance and other frequently asked questions.

The term "At large" means not securely confined by a fence or other means (leash) on premises under the control of, or occupied by, the owner, and not under the control of the owner, a member of his immediate family over twelve (12) years of age or an agent of the owner, by leash or otherwise, whether on the owner's premises or not.

Simply stated: The animal must be on a leash even if on your property in the front yard, otherwise in a fenced in area.

How many animals is each household allowed to have? Answer: 4 (Any combination of cats or dogs).

Puppies: After puppies are 6 months old, they are considered in your household part of the 4 animals you are allowed to have.

Kennels: The term "kennel" means any location where three or more female dogs, for the purpose of breeding, beyond the age of 6 months or a total of five dogs, both male and female, are kept, harbored, boarded, sheltered, or bred.

Is it mandatory to have dogs and cats vaccinated against Rabies? YES!

It is not recognized if you purchase the vaccine and give it yourself. It has to be given by a licensed Veterinarian. If the dog isn't wearing the tag, you must have the proper paperwork available upon request. It is highly recommended the animal wears the rabies tag so if he does get lost, we can contact you the owner.

Are Pit Bulls allowed in Del City? Yes.

But, no "vicious animals" of any breed are allowed in Del City.

"Vicious Animal" is defined as one not only of disposition to attack a person or animal it may meet, but it includes as well a natural fierceness or disposition to mischief, as may occasionally lead to attack human beings or animals without provocation.
