DEL AIRE NEIGHBORHOOD  
 WATCH ASSOCIATION

MARCH 2019

## From the DANWA President:

Greetings Friends & Neighbors,

The other evening, while I was out patrolling the DANWA area, I was amazed at the diversity with which families/households seemingly valued their security. I'm referring more precisely to the amount of lack of outside lighting they had on their residence. While some homes may have a single light at the front door on, other homes were lit up like they were having a grand opening or something. Various studies and common sense show that individuals with ill intentions are less likely to attempt to break into structures that are well lit than one that is shrouded in darkness. This same analysis can also be applied to vehicles that are parked outside overnight. Thieves and burglars are generally opportunist and prefer concealment, anything we can do to frustrate them, will add to our security and well-being.

The Grand Opening for the new Integris Hospital at S.E. 15th and Howard was March 4th, and they started receiving patients March 5th.

At our March 11th general meeting we will have an election for the position of DANWA Treasurer. Rex Warlick, a longtime member of DANWA and previous officer, has stepped forward, but needs to be voted on to make it official. We are still in need of a Patrol Captain.

We are still in process of affirming dates, but our Oklahoma State Representative Andy Fugate and Del City Mayor elect Floyd Eason have agreed to come speak with us.

Now the info many of you have been waiting on, The city wide, curb side trash pick-up will start the week of April 29. Previous restrictions are still applicable.

I look forward to seeing you at the March 11 General Meeting.

May God bless and keep you and yours.

Ron McCall, DANWA President, 677-7923 [danwapres@cox.net](mailto:danwapres@cox.net)

**NEED SOME OF YOU YOUNG FOLKS TO HELP**

Come on, be a part of DANWA, just a little bit of volunteering won't hurt much. Some blocks only have 20 homes to deliver to, most are less than 25 homes. If you can help with any of these please contact any of the District Captains above. It's really not hard to volunteer one day out of the month and it proves to be good exercise by delivering the newsletter door to door for your particular block or blocks. You might even meet your neighbors.

**You don't have to be a member to volunteer to deliver the newsletters.**

DANWA congratulates the winners of Del City Council Ward positions, Michael Dean Ward 1 and J.D. Hock Ward 3 and Mayor Elect Floyd Eason.

CONGRATULATIONS Gentlemen !

An elderly couple had dinner at another couple's house, and after eating, the wives left the table and went into the kitchen. The two gentlemen were talking, and one said, 'Last night we went out to a new restaurant and it was really great I would recommend it very highly.'

The other man said, 'What is the name of the restaurant?'

The first man thought and thought and finally said, 'What's the name of that flower you give to someone you love? You know, the one that's red and has thorns.'

'Do you mean a rose?'

'Yes, that's the one,' replied the man. He then turned towards the kitchen and yelled, 'Rose, what's the name of that restaurant we went to last night?'

## Safe Gun Storage

If you are firearm owner, it is your responsibility to ensure that guns in your home are always stored where they are inaccessible to children or other unauthorized persons. Hiding a gun in a closet, drawer or similar location is not safe storage. Safe storage is employing precautions and multiple safeguards that provide an additional barrier against unauthorized use.

### **Key guidelines for safe storage include:**

Firearms should be stored in a locked cabinet, safe, gun vault or storage case. The storage location should be inaccessible to children.

Gun locking devices render firearms inoperable and can be used in addition to locked storage.

### **A Message for Your Children**

Children and adolescents are naturally curious about firearms and, as a result, may be tempted to "play" with a firearm they find. Make sure young people in your home are aware of and understand these safety guidelines:

Don't go snooping, or allow other kids to go snooping, for guns in the house.

If you find a gun in your house, or anywhere else, STOP! Do not touch it or allow anyone else to.

Leave the area and be sure to immediately tell an adult.

Even if a gun looks like a toy, don't touch it. Some real guns look like toy guns, so don't take a chance. Leave the area and immediately tell an adult..

### **Firearms Kept for Home Security**

The choice to keep a firearm in your home for sporting purposes, a collection or self-protection is a serious responsibility. Gun owners must be committed to obtaining the appropriate training and having a clear understanding of safe handling and storage rules to achieve the intended personal safety benefits.

Before choosing a firearm for home security, ask yourself these questions:

Will other adults with access to the firearm join me in a firearms training (range shooting) and safety program?

What precautions will I practice to safeguard children? Remember to take precautions when children/teens are visiting your home.

Do risk factors such as mental illness or drug and alcohol abuse exist within my household?

Your decision should also take into consideration issues such as individual temperament, reaction to emergency situations and specific family circumstances.

### **Access to Firearms Kept for Home Security**

If you choose to keep a firearm for home security, your objective should be to create a situation in which the firearm is readily available to you, yet inaccessible or inoperative to others. Special lockable cases that can be quickly opened only by authorized individuals are options to consider.
