4. May 27th Memorial Day.
5. June 1, 10am Tinker Air Show featuring the Blue Angels.

With that I must go, so , I will see you May 13th.

Ron McCall, DANWA President, 677-7923 danwapres@cox.net

We're still looking for someone to fill the Officer's position of Patrol captain. If you might be interested contact any of the officers listed in the upper left portion of this page.

Even though you don't see the blinkie lights on top of a patroller's car, that doesn't mean we aren't patrolling. Sometimes we go incognito and can still call the police if we see something suspicious.

WE COULD USE MORE PATROLLERS

Don't know what ward you are in???
See the back page.

Welcome to our new Mayor, Floyd Eason

Happy to see the new hospital up and going

Note the school signs between Del Road and S.E. 29th now have lights, continue to watch out for children in that area.

NEED SOME OF YOU YOUNG FOLKS TO HELP

Come on, be a part of DANWA, just a little bit of volunteering won't hurt much. Some blocks only have 20 homes to deliver to, most are less than 25 homes. If you can help with any of these please contact any of the District Captains above. It's really not hard to volunteer one day out of the month and it proves to be good exercise by delivering the newsletter door to door for your particular block or blocks. You might even meet your neighbors.

You don't have to be a member to volunteer to deliver the newsletters.

City ordinances:

There is no ordinance prohibiting you from washing your car on your driveway.

Hopefully, by now, the city has been by your home and gathered your excess trash for the "City wide Trash Pickup". It's so nice to see people taking pride in their city and trying to keep their property looking good.

Kudos to the Community Action Agency for the acquisition of a new printer and their taking the time to print our newsletters.

We are still in need of folks to become patrolers—the eyes and ears for assisting the police department. Contact Ron McCall for more information. 677-7923

Mowing season is upon us.

If you mow your own lawn, be mindful of where the **grass clippings** go and attempt to get them out of the street, i.e. don't leave them in the gutter or in your neighbors gutter or yard but back in your yard and if you have someone else doing it for you, remind them that you want your street looking good when they finish.

On that note, there is an ordinance regarding this condition as well, i.e. leaving grass clippings in the street, so save yourself a possible fine and be aware of where your clippings go. Thanks from all the home owners, code enforcement, EPA, and the beautification folks.
