DEL AIRE NEIGHBORHOOD
 WATCH ASSOCIATION

JUNE 2019

From the DANWA President:

Greetings Friends & Neighbors,

For starters, a big thank you to our City Manager, Mark Edwards, for his contributions at our last meeting (May 13th). His main theme was the new 14,000 sq. ft., \$5.5 million library which will be located where the old bowling alley was on S.E. 15th. Construction should start this fall and take about 2 years for completion. Once the new library is finished, the old library area will be converted into a 6,000 sq. ft. adult center. Other topics included the acquisition of new police, fire, and city vehicles, and the repairs of our city streets. The replacement of the I-40 bridges at Scott St., Sunnyslane Rd., S.E. 15th, and Sooner Rd. slated to begin around 2021 and take 3 to 4 years.

The Del City Police Dept. is putting together plans for a Citizens Police Academy to begin this fall. In the past this has been a series of classes put on by the police to educate participants of various aspects of community policing, first aid (including CPR), fire-arm safety, traffic laws, how to recognize suspicious activity, identifying a suspect, etc. Participation is voluntary but is limited, so if you are interested contact me. This is an excellent course for anyone thinking of becoming a DANWA patroller.

Now that school is out for the summer, just a reminder to be extra vigilant while driving through the neighborhood. Let's endeavor to make it through the year with zero child / vehicle accidents.

See you are our next meeting, June 10th, 7 pm.

May God bless & keep you and yours.

Ron McCall, DANWA President, 677-7923 danwapres@cox.net

We're still looking for someone to fill the Officer's position of Patrol captain. If you might be interested contact any of the officers listed in the upper left portion of this page.

Even though you don't see the blinkie lights on top of a patroller's car, that doesn't mean we aren't patrolling. Sometimes we go incognito and can still call the police if we see something suspicious.

Mowing season is upon us.

If you mow your own lawn, be mindful of where the **grass clippings** go and attempt to get them out of the street, i.e. don't leave them in the gutter or in your neighbors gutter or yard but back in your yard and if you have someone else doing it for you, remind them that you want your street looking good when they finish.

If you can spare some time, we can use block captains to help deliver the DANWA newsletter. Some blocks only have 20 homes to deliver to, most are less than 25 homes. If you can help with any of these please contact any of the District Captains above. It takes me about 15 minutes to deliver 23.

You don't have to be a member to volunteer to deliver the newsletters.

Hints for Seniors and others—

(I haven't tried this so let me know if it works).

If you're in an area where you should have cell phone service but don't, put your phone on airplane mode and then switch back. This will cause your phone to register and find all the towers in the vicinity.

Pineapple juice is 500% more effective at helping you stop coughing than cough syrup. Pineapples contain bromelian, which can combat infections and eradicate the bacteria.

To quickly cool a drink, wrap a wet paper towel around it and put it in the freezer for a few minutes.

Filter out cereal powder with a colander when you get down to the last of the cereal.

AS I GET OLDER I REALIZE:

1. I talk to myself, because sometimes I need expert advice.
2. Sometimes I roll my eyes out loud.
3. I don't need anger management. I need people to stop irritating me.
4. My people skills are just fine. It's my tolerance of idiots that needs work.
5. The biggest lie I tell myself is "I don't need to write that down, I'll remember it."
6. When I was a child I thought nap time was punishment. Now it's like a mini-vacation.
7. The day the world runs out of wine is just to terrible to think about.
8. Even duct tape can't fix stupid, but it can muffle the sound.
9. Wouldn't it be great if we could put ourselves in the dryer for ten minutes; come out wrinkle-free and three sizes smaller?
10. "Getting Lucky" means walking into a room and remembering why I'm there.

Serious Questions

Why isn't the number 11 pronounced onety-one?
Why do croutons come in airtight packages? Aren't they just stale bread to begin with?
If a pig loses its voice, is it disgruntled?
Do Lipton Tea employees take "coffee breaks"?
What hair color do they put on the driver's licenses of bald men?
Is it true that you never really learn to swear until you learn to drive?
If a cow laughed, would milk come out of her nose?
Why, why, why do we press harder on the remote control when we know the batteries are getting weak?
Why do banks charge a fee due to insufficient funds; when they already know you're broke?
