MARCH 2020

From the DANWA President:

Greetings Friends & Neighbors.

First, let me thank Rep. Andy Fugate for joining us at our meeting on February 10th. Although the Oklahoma Legislation Session was barely a week old, Rep. Fugate pointed out that the House has around forty five hundred bills to work through. Which is quite a task, considering this session ends the last of May. (Talk about speed reading) The bulk of their work has to do with funding the State, (transportation, education, health care, etc.), but one of the largest hurdles lies in the fact that the majority of the Representatives are only in their first or second term. Rep. Fugate's talk lasted about 20 min. followed by another 10 to 15 min. of Q & A. I look forward to having Rep Fugate back later in the year.

The first Thursday of every month at 10 am, SALT (Seniors And Law enforcement Together) gathers at the police dept. for their monthly meeting. I'm told that the meetings are very informative.

Our March 9th DANWA meeting will kick off at 6 pm with a covered dish dinner, contact Pat Satterwhite 405-412-7925 if you would like to join us. Then at 7 pm our regular meeting will be graced by Del City Fire Chief, Brandon Pursell.

March 30 thru April 3 is the City Wide Curb Side Bulk Trash Pick Up. A list of do's and don'ts will be forthcoming in your City water bill.

Everyone is invited to join the Del City Police Dept. for Coffee with a Cop on April 11, from 10 am to noon, at Jitters on Main Street off of Sooner Road & I 40. Regular coffee is free along with lite snacks while they last.

If you haven't already done so, please don't forget to fill out your membership application to DANWA. Feel free to include any suggestions or comments you may have.

See You March 9th

May God Bless You and Yours

Ron McCall DANWA President (405) 677-7923 danwapres@cox.net

ANIMAL PROBLEMS??? 677-2443

So far our quadrant of the city has not had the problem of who to call when you have an animal problem. It's pretty plain and simple, **FIRST CALL dispatch 677-2443** and tell them the animal problem, **DO NOT** put it on face book or other social media **FIRST** and forget to call dispatch as the ACO doesn't have time to monitor those outlets, plus, it needs to go through the central point of the city dispatch.

Do you know what your \$12.00 a year DANWA membership (\$1.00 a month) actually does for you?

It helps the patrollers notify, locate, contact, and watch for:

- seeing someone in a back yard or elsewhere they aren't supposed to be the patroller can contact you and or the police
- Maybe catch water running out of the house or garage due to a broken pipe
- Possibly spot a strange light (say a flashlight) moving around within a house when nobody is supposed to be there; for instance the owner of the residence is gone on vacation or the house is VACANT
- Possibly an open garage door, it's dark around the residence and nobody answers that home phone, nobody answers their emergency phone number—DANWA calls the police
- Maybe an alarm is sounding and DANWA assists by notifying the police and continues to watch the house while waiting for the police to arrive and assists the police with an emergency number to call
- Possibly a dome light remains illuminated in your vehicle and you aren't aware of it.
- Your car door's open and everything else is dark—nobody is around
- Elderly might live alone and newspapers or mail start piling up—need to contact someone to see if the occupant of the residence is okay or needs attention
- Say you go on vacation—DANWA patrollers make extra attempts and safety measures to watch the house
- There might be a lost of stray animal or even a child—DANWA can help watch for them
- Many times a child or elderly person gets lost—DANWA helps watch for them, no matter what neighborhood they are in

History of Flag Day

The idea of an annual day specifically celebrating the Flag is believed to have originated in 1885. BJ Cigrand, a schoolteacher, arranged for the pupils in the Fredonia, Wisconsin Public School District 6, to observe June 14 (the 108th anniversary of the official adoption of The Stars and Stripes) as 'Flag Birthday'. In numerous magazines and newspaper articles and public addresses over the following years, Cigrand continued to enthusiastically advocate the observance of June 14 as "Flag Birthday", or 'Flag Day'. On June 14, 1889, George Balch, a kindergarten teacher in New York City, planned appropriate ceremonies for the children of his school, and his idea of observing Flag Day was later adopted by the State Board of Education of New York. On June 14, 1891, the Betsy Ross House in Philadelphia held a Flag Day celebration, and on June 14th the following year, the New York Society of the Sons of the Revolution, celebrated Flag Day.

Following the suggestion of Colonel J Granville Leach, the Pennsylvania Society of Colonial Dames of America on April 25, 1893 adopted a resolution requesting the mayor of Philadelphia and all others in authority and all private citizens to display the Flag on June 14th. Leach went on to recommend that thereafter the day be known as 'Flag Day' and on that day, school children be assembled for appropriate exercises, with each child being given a small Flag.

Two weeks later on May 8th, the Board of Managers of the Pennsylvania Society of Sons of the Revolution unanimously endorsed the action of the Pennsylvania Society of Colonial Dames. As a result, Dr. Edward Brooks, then Superintendent of Public Schools of Philadelphia, directed that Flag Day exercises be held on June 14th, 1893 in Independence Square. School children were assembled, each carrying a small Flag, and patriotic songs were sung and addresses delivered.

In 1894, the governor of New York directed that on June 14 the Flag be displayed on all public buildings. With BJ Cigrand and Leroy Van Horn as the moving spirits, the Illinois organization, known as the American Flag Day Association, was organized for the purpose of promoting the holding of Flag Day exercises. On June 14th, 1894, under the auspices of this association, the first general public school children's celebration of Flag Day in Chicago was held in Douglas, Garfield, Humboldt, Lincoln, and Washington Parks, with more than 300,000 children participating.

Inspired by these three decades of state and local celebrations Flag Day was officially established by the Proclamation of President Woodrow Wilson on May 30th, 1916. While Flag Day was celebrated in various communities for years after Wilson's proclamation, it was not until August 3rd, 1949, that President Truman signed an Act of Congress designating June 14th of each year as National Flag Day.

Flag Etiquette

The Flag should::

- Never be dipped to any person or thing.
- Not be used as a drapery, or for covering a speakers desk, draping a platform, or for any decoration in general.
- Never be used for advertising purposes...nor printed on such articles as cushions, napkins boxes, or anything intended to be discarded after temporary use.
- Not be a part of a costume or athletic uniform.
- Never have placed on it, or attached to it, any mark, insignia, letter, word, number figure, or drawing of any kind.
- Never be used as a receptacle for receiving, holding, carrying, or delivering anything.

When the flag is lowered, no part of it should touch the ground or any other object. To store the flag it should be folded ceremoniously.

When a flag is so worn it is no longer fit to serve as a symbol of our country, it should be destroyed by burning in a dignified manner.
