 WATCH ASSOCIATION

MAY
 2020

From the DANWA President:

Greetings Friends & Neighbors.

Yes we are still here with you, however, in compliance with the COVID-19 mandate to practice social distancing, we did cancel the April 13th DANWA General Meeting. We've also decided to cancel the May 11th meeting as well. We will keep you advised on the June 8th meeting. One other major cancelation is the May 16th Armed Forces and Shriners Parade. Sorry kids no bouncy balls and candy in the streets this year.

It's well known that DANWA is a strong supporter of our heroes in the Del City Police and Fire Departments and we will continue to appreciate their dedication and sacrifices. Now another group of HEROS are putting their lives on the line for us. I'm referring to all those Doctors, Nurses and Ambulance Drivers who are dealing with this pandemic, hands on. But let's not forget the lab techs, cleaning personal, food prepares and the host of others in support fields to our health care system. May I suggest that the next time you meet one of these heroes you thank them and give them a big (six feet away) hug.

I pray that you all are doing well. Remember, together we will get through this. After all we are Americans from Oklahoma.

May God keep you and yours.

Ron McCall DANWA President (405) 677-7923 danwapres@cox.net

**Armed Forces Day/Shriners
 Parade is also cancelled this year
 because of the COVID-19 Virus.**

**Due to the COVID-19 virus precautions
 the May 11, 2020
 general meeting is canceled.**

Avoiding SSA scams during COVID-19

April 7, 2020
by Jim Kreidler
Consumer Education Specialist, FTC

While some of you are home, practicing social distancing and frequent hand washing to avoid the Coronavirus, remember that scammers are still busy trying to take advantage of people. Some scammers are pretending to be from the Social Security Administration (SSA) and trying to get your Social Security number or your money.

Here's what to know:

- Do not trust caller ID. Scam calls may show up on caller ID as the Social Security Administration and look like the agency's real number, but it's not the SSA calling. (This is called "spoofing").
- Your Social Security number is not about to be suspended. And your bank accounts are not about to be seized. Don't verify your Social Security number or any other personal information to anyone who calls out of the blue. If you already did, visit IdentityTheft.gov/SSA to find out what steps you can take to protect your credit and your identity.
- SSA will never call to threaten your benefits or tell you to wire money, send cash, or put money on gift cards. Anyone who tells you to do those things is a scammer. Every time.
- Talk about it. If you're getting these calls, chances are your friends and family are too. Please talk with them about it.
- People who know about scams are much less likely to fall for them. So by discussing them you are helping protect people you care for and people in your community.

ANIMAL PROBLEMS??? 677-2443

So far our quadrant of the city has not had the problem of who to call when you have an animal problem. It's pretty plain and simple, **FIRST CALL dispatch 677-2443** and tell them the animal problem, **DO NOT** put it on face book or other social media FIRST and forget to call dispatch as the ACO doesn't have time to monitor those outlets, plus, it needs to go through the central point of the city dispatch.
