DEL AIRE NEIGHBORHOOD
 WATCH ASSOCIATION

AUGUST 2020

From the DANWA President:

Greetings Friends & Neighbors,

Last month I said I wasn't going to comment of the current issues. Well "never say never". I have to applaud the Mid – Del School Board for its decision to basically let the student's parents decide whether to have **their** children attend school or do virtual schooling. Who better to decide what's best for their children and their family than the parents.

Get you sweet tooth ready, at the August 10th DANWA general meeting we are going to have ice cream (individual servings in the form of sandwiches, drumsticks, bars).

Also at the August 10th meeting, Rep. Andy Fugate, will be our guest speaker. Later this month we should start to see construction work on the I 40 bridges at Sooner Rd., S.E. 15th, & Crutch Creek. The resurfacing of S.E. 29th from Bryant to Sooner Rd. should begin in a couple of months as well as S.E. 41st from Epperly to Vickie.

In with last month's Del City water bill was the notice for the fall dates for the Curb Side Bulk Waste pick up, October 19th to October 23rd. The list of prohibited items (tires, paint, batteries, etc.) will still apply. Be aware, if you start putting items for pick, out before October 15th, you can be ticketed by the city code enforcement dept.

May God bless and keep you and yours. See you on August 10th 7 pm.

Ron McCall DANWA President (405) 677-7923 danwapres@cox.net

Ladies and gentlemen,

I know it is mostly inconvenient to come to a meeting once a month but to be a member of the Del Aire Neighborhood Watch Association can sometimes be rather interesting.

There are times when we have guests who come and only see 20 people out of 300 plus and wonder are they really interested in what goes on at the neighborhood watch meeting.

We have had and will continue to have a Legislator, Mayor, City Manager, Planning Commission spokesman, storm water/waste management professional, Fire Chief, Police, Animal Control Officer (for your animal questions) **you name it we have your interest in mind if you only let us know.**

Then there are the **Ice cream social (this month)** eating competition (oh, just good food) snacks monthly with coffee and water provided. Come on out and join us and meet your neighbors.

Many times there is information known ahead of time that might be of interest and helpful to you.

Respectfully, Joe Satterwhite, Editor

If you can spare some time, we can use block captains to help deliver the DANWA newsletter. Some blocks only have 20 homes to deliver to, most are less than 25 homes. If you can help with any of these please contact any of the District Captains above. It takes me about 15 minutes to deliver 23.

You don't have to be a member to volunteer to deliver the newsletters.

I thought getting old would take longer.

Most people don't think I'm as old as I am until they hear me stand up.

I really don't mind getting older, but my body is taking it badly.

I miss the 90s when bread was still good for you and no one knew what kale was.

If you see me talking to myself, I'm having a staff meeting.

I don't always go the extra mile, but when I do it's because I missed my exit.

I wanna be 14 again and ruin my life differently. I have new ideas.

I planted some bird seed. A bird came up. Now I don't know what to feed it.

Experience is the thing you have left when everything else is gone.

Is it too early to put up my Christmas tree yet? I have run out of things to do.

I had amnesia once -- or twice.

One nice thing about egotists: they don't talk about other people.

Things are getting weird. It's like bein 16 again, gas is dirt cheap and I'm grounded.

I went to San Francisco. I found someone's heart. Now what?

My weight is perfect for my height -- which varies.

When this virus thing is over with... I still want some of you to stay away from me.

Protons have mass? I didn't even know they were Catholic.

I used to be indecisive. Now I'm not sure.

All I ask is a chance to prove that money can't make me happy.

The cost of living hasn't affected its popularity.

Another Saturday night in the house and I just realized, even the trash goes out more than me.

If the world were a logical place, men would be the ones who ride horses sidesaddle.

How can there be self-help "groups?"

Day 27 at home and the dog is looking at me like, "See, this is why I chew on furniture."

What is a "free" gift? Aren't all gifts free?

So let me get this straight, there's no cure for a virus that can be KILLED by sanitizer and hand soap?

Remember all those times when you wished the weekend would last forever. Well, Wish Granted. Happy Now?

They told me I was gullible and I believed them.

I'm done with my 90-day trial of 2020.

Teach a child to be polite and courteous in the home and, when he grows up, he'll never be able to merge his car onto the freeway.

How do I cancel my membership?

I think I'm finally being grounded for everything I didn't get caught for when I was a teenager.

How LONG is this social distancing thing supposed to last? My husband keeps trying to come into the house.
