MARCH 2022

From the DANWA President:

Greetings Friends & Neighbors,

Back on February 2, we were told that the groundhog did not see his shadow and thus we would have an early spring. Now despite the daffodils coming up and blooming, my arthritis is still waiting for the warmer weather to arrive, especially with all of these cold fronts that keep coming through. But then, as Will Rogers said, “this is Oklahoma, wait 5 minutes and the weather will change”. I just hope that means warmer temps.

With the help of the super quorum that attended the February 14th meeting we were able to set and approve the budget for the 2022 - 2023 year. Now we just have to fund our aspirations.

One of those aspirations is the float for the May 14th, Veterans Day Parade. Sandy Hightower is chairing up an excited group of volunteers and they are moving forward with plans that I'm sure will make DANWA the showstopper of the parade. If you are interested in participating, contact me at 405-517-0502 so I can forward your contact info onto Sandy.

Don't forget, Daylight Saving Time begins March 13, and the first day of Spring is March 20 th.

Just a reminder, please take a few minutes and fill out the enclosed DANWA membership application. Attach your check and mail it back. (DANWA, P. O. Box 55558, Del City, Ok. 73155). **THANK YOU!**

See you on March 14 th 2022 at our next DANWA General Meeting

May God Bless You and Yours

Ron McCall DANWA President 405-517-0502 cashmccall@cox.net

MEMBERS—NEW AND CURRENT

Even though you think things haven't changed.....the need for full information is essential. Already we have received too many applications without the application or NO INFORMATION on the application, or just a check. NO GOOD! We need the application filled out fully. PLEASE! Don't be surprised if you **don't** get a call because your garage door was open or you have a broken waterline and water is running **OUT** of your house.

If you can spare some time, we can use block captains to help deliver the DANWA newsletter. Some blocks only have 20 homes to deliver to, most are less than 25 homes. If you can help with any of these please contact any of the District Captains above. It takes me about 15 minutes to deliver 23 and I even get a little exercise.

You don't have to be a member to volunteer to deliver the newsletters.

NOTICE

You will notice in this months newsletter the yearly application for Del Aire Neighborhood Watch Association membership renewal. Your membership is greatly appreciated. February and March is when our yearly membership drive occurs and we hope to keep you as a member or gain you as a new member. Please take a few moments and provide the information listed to include emergency information as quickly as you can. **Be advised all information is confidential and not used in any way except to contact you as needed in case of emergency.**

Note that **all cases listed below** are actual and have occurred within the Del City neighborhood watch areas. Respectfully, DANWA

Because you don't see blinkies running around does not mean we aren't watching!

Do you know what your \$12.00 a year DANWA membership (\$1.00 a month) actually does for you? It helps the patrollers notify, locate, contact, and watch for:

- Seeing someone in a back yard or elsewhere they aren't supposed to be the patroller can contact you and or the police.
- Maybe notice water running out of the house or garage due to a broken water pipe.
- Possibly spot a strange light (say a flashlight) moving around within a house when nobody is supposed to be there; for in-stance the owner of the residence is gone on vacation or the house is VACANT.
- Possibly an open garage door, it's dark around the residence and nobody answers that home phone, nobody answers their emergency phone number—DANWA calls the police.
- Maybe an alarm is sounding and DANWA assists by notifying the police and continues to watch the house while waiting for the police to arrive and assists the police with an emergency number to call.
- Possibly a dome light remains illuminated in your vehicle and you aren't aware of it.
- Your car door's open and everything else is dark—nobody is around.
- Elderly might live alone and newspapers or mail start piling up—need to contact someone to see if the occupant of the residence is okay or needs attention.
- You go on vacation—DANWA patrollers make extra attempts and safety measures to watch the house.
- There might be a lost of stray animal or even a child—DANWA can help watch for them.
- Many times a child or elderly person gets lost—DANWA helps watch for them, no mater what neighborhood they are in.

Whether you are a member or not, your eyes are valuable to contact the police in situations such as these.

(continued on page 4)

(continued from page 3)

Regarding the membership application, please fill this form as complete as possible. If you visit the information on page three, wouldn't you want to know if your hot water tank had developed a leak and water was running out of the garage and a patroller noticed it but didn't have any phone numbers to notify you or you didn't have an emergency contact that we could call that knew another way of getting hold of you?

ANIMALS

I've received calls, emails, texts regarding animals running loose, or openly feeding them just because. With the aid of our Del City Animal Control Officer I provide the following for information to all:

"Ordinance Chapter 4, Article I, Sec. 4-4—Owner means any person, firm or corporation owning, harboring or keeping an animal. The occupant of any premises on which a domesticated or tamed animal remains, or to which customarily returns for a period of ten (10) days or more, shall be deemed to be harboring or keeping the animal." In other words if you are keeping food on your open front porch for animals (possum, rabbits, cats, dogs, they become yours after 10 days.

"Sec. 4-3—At large. Means not securely confined by a fence or other means on premises under the control of, or occupied by the owner, and not under the control of the owner, a member of his immediate family over twelve (12) years of age or an agent of the owner, by leash or otherwise, whether on the owner's premises or not."

"Sec. 4-11—Any dog over the age of six (6) months must be on a leash or restraining device, no greater than 6 (six) feet in length and appropriate to the size of the animal while in the public domain within the city limits Del City."

"Sec. 4-15—Disturbance by animals. It is unlawful for any person to keep or harbor within the city any dog or other animal which, by barking, howling or otherwise, disturbs the peace and quiet of any person or persons."

"ARTICLE III.—Cats"

"Sec. 4-31. Vaccination required. The owner of any cat shall have the cats vaccinated against rabies by a veterinarian, or other person legally authorized to immunize cats, every calendar year, and shall furnish the owner a certificate of vaccination."

"ARTICLE IV.—Dogs— (same requirement, must be vaccinated) "

Summary: All animals must be vaccinated by the age of 4 (four) months. Also, anytime your **animal, cat, dog, whatever**, is outside of an enclosed area, your home, your back yard, it must be on a leash! That includes cats. If your pet remains outside in your back yard, don't forget to make sure their water is not frozen.

Just a few more tidbits for you to chew on—the animal control officer was hired to do a job and an outstanding job she is doing. I've read comments where a party says something about having to go to court because of the actions of the ACO. I believe this is much like someone having to go to court because of a traffic violation they were caught doing and had to go to court to pay the fine.

Patrolling, Volunteering

As a reminder, none of our officers, patrollers, committee members are paid for anything they do for DANWA, everything is strictly volunteer. No reimbursement for gas or vehicle maintenance, no reimbursement for the use of their phone while patrolling, no reimbursement for eating while patrolling. **Because you don't see blinkies running around does not mean we aren't watching!**

The Del Aire Neighborhood Watch Association would like to take this opportunity to FIRST thank you for becoming a member, SECOND thank you if you are on a committee, and THIRD a **special thank you** for those who have sent in their dues plus extra amounts over and above the \$12.00.

WINTER

Winter is still not over, those cold days are still around the corner. Double check those outdoor spigots and make sure your hose is not attached during a freeze, double check your vehicle's antifreeze that it is in the safe range. Check your tires and tire pressure for proper inflation, especially during snow days. And finally, place an extra blanket in the back seat or trunk of the car just in case you get stranded that blanket will help keep you warm till help arrives.
