Dates to remember:
DANWA General Meeting— Calvary Christian Church in the annex just north of the church, 3900 Epperly Dr. at 7:00 pm, second Monday of the month.

CERT General Training Meeting, at 7:00 pm, Del City Community Center, second Tuesday of the month.

Greetings Friends and Neighbors:

By the time you receive this copy of the Defender, some of you will still be waiting to enjoy the festivities of Independence Day 2023. I hope you have a safe and enjoyable holiday. This date marks the beginning of a fabulous journey that has brought the USA to be the world leader in many areas, but as it was in 1776 there are other countries that seek to take that title away from us, and some wish to do so through force. I'm reminded of what candidate Ronald Regan said in a speech in 1980, "Peace through Strength". When you think about it, that makes a lot of sense. A foreign adversary is less likely to attack you if you are militarily stronger, economically stronger, and the will and patriotism of your citizens are stronger.

The same could be said on a local level, whether they are would be terrorist, gang members, or local bad guy / thief, if they know they are likely to be stopped, apprehended, and punished, they are likely to avoid that area. That is why DANWA and the other Del City Neighborhood Watch groups are out there looking for and reporting those involved in illegal activities. That is why we are always looking for and appreciative of those in our area who support and volunteer to help grow and strengthen our ranks. Together we will be stronger and safer, able to enjoy the peace.

Have a Happy INDEPENDENCE DAY July 4, 2023

If you haven't done so already, make sure to contact Pat Satterwhite 405-412-7925, psatterwhite@cox.net with your choice item for the covered dish dinner, 6 pm, July 10. Paper/plastic ware, coffee, tea, and water will be provided. Our regular DANWA meeting will follow at 7 pm.

Our guest speaker that evening will be Rep Andy Fugate.

May GOD Bless and Keep you and yours.

Ron McCall DANWA President 405-517-0502 cashnccall@cox.net

I can't tell you how many times a week I get a text message and/or an email from a credit card company or bank that I actually do business with but ... it's not really them contacting me. The phone number or email address looks like it is legitimate but when I hover over the URL, I can see it's a total scam. I consider myself very savvy and I've come close falling for it. So the purpose of this tip is not to scare you from using QR codes because they're great. But be more conscious and cautious about them and don't input any personal information or credit cards unless you know it's safe to do so.

So far incorrect spelling is another key item to watch for in scams.

We could use YOUR HELP!! We need "block captains" for the following areas:

Woodview (37)
From Vickie to Del View

Contact Steve Gold 405-501-7080

Bismarc Dr. (27)
from Montclair to Montrose

Montclair (21)
from Bismarc to Oakbrook

Contact David Ellison 405-641-2193

If you can spare some time, we can use block captains to help deliver the DANWA newsletter. Some blocks only have 20 homes to deliver to, most are less than 25 homes. If you can help with any of these please contact any of the District Captains above. It takes me about 15 minutes to deliver 23 and I even get a little exercise.

You don't have to be a member to volunteer to deliver the newsletters.

It's time to check our American Flags

that need to be properly disposed of, not just throw them in the trash but ceremonially and in a dignified fashion of respect. United States Flag Code (4 USC Sec 8 Para (k) amended 7 July 1976 states: "The Flag, when it is in such condition that it is no longer a fitting emblem of display, should be destroyed in a dignified way, preferably by burning." Don't throw it in the trash or just burn it like you see protestors doing in the street, but destroyed in a dignified way. The easiest way is to donate it to the American Legion, Veterans of Foreign Wars, Boy Scouts, or the Girl Scouts. Another way is to fold it properly, place it in a dignified box and bury it, saying a few words if you wish or even saying the Pledge of Allegiance. Finally, if you prefer, please bring it to the DANWA general meeting and give it to Joe Satterwhite or Rex Warlick and we will make sure they are taken care of properly.

Thank you and God Bless America.

Beginning June 2023 the City of Del City began replacing the old water meters with new digital ones. Replacement will be done on a billing cycle set up whereby certain sections will receive the new meters at different times. It I'm not mistaken you should receive a notice with your water bill explaining about the new meters. One item of caution to be noted.....be cautious when mowing or walking around your yard, especially at the meter area. I understand part of the new system (transmitter) will be above ground, i.e. on the top of your water meter area. They aren't cheap and if you break it, you pay for it. Again, there should be an extra piece of literature in your upcoming bill explaining the new meters.

Think about this for a minute!!

The weather is turning nice, you have been outside working in the yard, finished putting up your garden tools or put away the mower and you go inside to relax a minute or two, maybe even take a shower. —

[you forgot to close the garage door]

Another reminder!!

Be sure to remove your garage door opener from your car. Since some of the cases around town have been where the car was broken in to and the perpetrator got the opener and waited a few weeks [time enough where the previous break-in had worn off a little] before coming back to the house and opening the garage door to do their thievery.

Never - Never leave valuables in your vehicle!!!

“Be precise because there are plenty of flat squirrels in the road because they couldn't make up their mind.”

Here are the tips the FBI recommends to protect yourself:

- Once you scan a QR code, check the URL to make sure it is the intended site and looks authentic. A malicious domain name may be similar to the intended URL but with typos or a misplaced letter.
- Practice caution when entering login, personal, or financial information from a site navigated to from a QR code.
- If scanning a physical QR code, ensure the code has not been tampered with, such as with a sticker placed on top of the original code.
- Do not download an app from a QR code. Use your phone's app store for a safer download.
- If you receive an email stating a payment failed from a company you recently made a purchase with and the company states you can only complete the payment through a QR code, call the company to verify. Locate the company's phone number through a trusted site rather than a number provided in the email.
- Do not download a QR code scanner app. This increases your risk of downloading malware onto your device. Most phones have a built-in scanner through the camera app.
- If you receive a QR code that you believe to be from someone you know, reach out to them through a known number or address to verify that the code is from them.
- Avoid making payments through a site navigated to from a QR code. Instead, manually enter a known and trusted URL to complete the payment.
