DEL AIRE NEIGHBORHOOD  
 WATCH ASSOCIATION

SEPTEMBER 2024

## From the DANWA President:

Dear Friends and Neighbors

We've got a lot to cover so here's the highlights:

On Monday, August 12th, 2024, Del City Mayor Floyd Eason and Mid Del School Board member Gina Sandridge presented the petition with 5,700+ signatures to the Oklahoma County Clerk's Office requesting a Grand Jury be seated to review the actions of Oklahoma County Commissioner Myles Davidson with regards to relocating the County Jail to 1901 E. Grand Blvd. By the time you receive this publication, we should know where we stand with our quest. Thank you to all of you who signed the petition and a special thanks to those who worked so hard to gather them.

Our Guest speaker on September 19th, is District 94 Representative Andy Fugate. He will deliver a talk about what has been going on at the State Capital with a Q & A to follow.

Thursday September 19th is our Appreciation Dinner at Golden Corral on Sooner Road at 6pm. All Patrollers, Block Captains, Committee Members, and other volunteers are invited to join us. Contact Pat Satterwhite at 405-412-7925 with your RSVP.

On September 28th, in Ray Trent Park, Del City is hosting the 2nd annual Hispanic / Latina Celebration. There will be an array of beautiful costumes and attire, various dances, and food trucks. Festivities will run from 10 am till 5 pm.

October 14th, DCFD Chief Zion Williams will be our guest speaker and will bring us up to date with regards to the Del City Fire Department, how fitting that October is Fire Prevention Month.

October 17th the Del City Neighborhood Watch groups will have a fundraiser for Shop With A Cop at McDonalds on 29th from 5 pm till 8 pm. We will be selling fried pies and discount coupon sheets, and of course donations are always welcome. We are hoping that with increased advertising and participation we can surpass last year's contributions. The Shop With A Cop at Wal Mart will be either Dec. 7th or Dec. 14th.

Last month I offered to replace any American Flag that was torn, tattered, faded or worn out with a new, made in the USA, American Flag. Well the offer still stands. Bring your old flag to the September 9th DANWA Meeting and get a new one you can be proud to display. One per household please.

A question was asked recently — Do I have to be a home owner to be a member of DANWA? The answer is "No". The whole idea of the neighborhood watch program is neighbors helping neighbors and if you are renting, you are a neighbor. If you have any questions about the neighborhood watch program call any of the officers listed on the left hand side of this page.

**We could use YOUR HELP!! We need "block captains" for the following areas:**

If you can spare some time, we can use block captains to help deliver the DANWA newsletter. Some blocks only have 20 homes to deliver to, most are less than 25 homes. If you can help with any of these please contact any of the District Captains above. It takes me about 15 minutes to deliver 23 and I even get a little exercise.

**You don't have to be a member to volunteer to deliver the newsletters, it's good exercise.**

I've learned ...

That money doesn't buy class.

I've learned ....

That just one person saying to me, 'You've made my day!' makes my day.

I've learned....

That you should never say no to a gift from a child.

I've learned ...

That I can always pray for someone when I don't have the strength to help him in any other way.

I've learned....

That no matter how serious your life requires you to be, everyone needs a friend to act goofy with.

I've learned ...

That sometimes all a person needs is a hand to hold and a heart to understand.

I've learned ...

That simple walks with my father around the block on summer nights when I was a child did wonders for me as an adult.

I've learned ...

That life is like a roll of toilet paper. The closer it gets to the end, the faster it goes.

I've learned ...

That it's those small daily happenings that make life so spectacular.

I've learned ...

That under everyone's hard shell is someone who wants to be appreciated and loved.

I've learned ...

That to ignore the facts does not change the facts.

The FTC outlined the most common wire transfer scams:

- **Utility scam:** A scammer purporting to be a utility provider says your gas or electricity will be shut off immediately if you don't wire cash right away.
- **Romance scams:** Romance scammers start by tugging at your heartstrings to tug at your bank account. They connect with their victims through dating sites or social media platforms, gain the victim's trust and eventually ask them to wire money right away to help them cope with a fake emergency or illness.
- **Prize scams:** Good news! You've won a sweepstakes, lottery or other monetary prize, but there's a catch — you have to wire money to pay for handling, shipping or taxes. In this scam, the victim sends an irreversible wire transfer only to quickly realize that there is no prize and they've been had.
- **Family emergency scams:** A criminal purporting to be a family member in crisis emails — or even uses AI to call with a startlingly realistic voice clone — with a plea for an immediate wire transfer to spring them from a foreign prison or some other pressing fabricated emergency.
- **Fake check scam:** The scammer sends a check with a request for the recipient to deposit it and immediately wire some of the amount back to them to cover fees, taxes or some other imaginary expense. Sometimes they say the check is winning from a prize the victim won, an advance for a job they landed or a refund for an overpayment. No matter the setup, the result is always the same — the check bounces and the victim is out the money they wired.

This only touches the surface of the possibilities of scamming and cheating one out of their hard earned cash. Be smart and learn the various ways they are trying to get your money as it has worked its way into texting on your phone as well. Be Cautious!!
