DEL AIRE NEIGHBORHOOD  
 WATCH ASSOCIATION

NOVEMBER 2024

## From the DANWA President:

Greetings Friends and Neighbors,

Before I forget, again, Happy Belated Birthday to all our United States Naval Personnel. On October 13th, 1776 the U.S. Navy was established. With that in mind, why do they wait until October 27th to celebrate Navy Day? Looks like that "boat" was a little late getting to the dock. In all seriousness, THANK YOU for your service and keeping us safe and free.

You may have noticed that I didn't say anything about how old The Navy is. That's because, less than a month later, November 10, 1776, the United States Marine Corps was established. Happy Birthday to my fellow Marines. Semper Fi. THANK YOU for your service and continuing to keep us safe and free as well.

With that in mind, November 11th is Veterans Day. A special THANK YOU to all of our Veterans. There will be a ceremony of appreciation for all of our veterans at the Del City Community Center at 11 am on the 11th. Everyone is encouraged to attend. A luncheon will follow at the American Legion / V.F.W. Hall.

November 6th is election day. Whether you have already voted or plan on waiting until that day, it's imperative that you exercise your right, your obligation to vote. The old sayings that "every vote matters" and "elections have consequences" are not just cliches. Regardless of which political party you agree with or don't, get off of that fence, make up your mind and go vote. **JUST DO IT !**

November 28th is Thanksgiving Day, which is one of my favorite days of the year. Not only is it a day for excellent food with family and friends, but it's also time to reflect on all of the many, many blessings that I have experienced over the past year. It's also a good time to start looking towards the future and making plans for the next year.

### HAPPY THANKSGIVING EVERYONE

A quick note on that, at our November 11th DANWA meeting, we will be giving away three turkeys as door prizes. You **must** be present to win.

May God Bless and Keep you and yours, and fill your life with his LOVE

My forgetter's getting better, but my rememberer is broke.

To you that may seem funny but, to me, that is no joke

For when I'm 'here' I'm wondering if I really should be 'there'.

Oft times I walk into a room and say "what am I here for"?

At times I put something away where it is safe and the person it is safest from - is me!

When shopping I may see someone and say 'Hi' and have a chat. Then when the person walks away I ask myself "who was that?"

Hope you enjoy these.

Every year the Del Aire Neighborhood Watch Association (DANWA) rewards our volunteers with a dinner. This year we had 38 attendees. All the officers; Ron McCall, James Gordon, Pat Satterwhite, Rex Warlick, and Sandy Hightower would like to thank all the patrollers, who are an extra set of eyes and ears for DCPD, all the district captains and block captains that handout 1700 newsletters every month, and all the committee members that work on projects throughout the year, all the ones that provide snacks for every meeting, our statistician James Standfill for keeping us updated on crime stats and our newsletter editor Joe Satterwhite who makes sure we have a newsletter every month. It takes us all to keep DANWA going as strong as it is. Meetings are held the second Monday of the month at 7 pm at 3900 Epperly. Come and join us to find out what is going in the neighborhood and city. Neighbors helping Neighbors! Thank you for your support.! Patricia Satterwhite, Secretary

The container shall not be placed at curbside before 7:00 p.m. the day before pick-up, and shall be removed from the curbside by 7:00 p.m. of the pick-up day. Containers must be at curbside by 6:00 a.m. of pick-up day. ### A few reminders:

It is a great idea to unscrew your hoses from the outside spigots.

If your animals stay outside be sure to have water available and not let it ice over.

It is also advisable to have some kind of shelter for the outside animals so they don't get covered in snow, sleet or rain, even though they are suited for it.

Always remember if you are driving on ice or snow, that vehicle doesn't stop any faster because it is a FOUR WHEEL DRIVE — PLEASE DRIVE CAREFULLY AND FRIENDLY
