Del Aire Defender

DEL AIRE NEIGHBORHOOD
 WATCH ASSOCIATION

MARCH 2026

From the DANWA President:

Greeting Friends and Neighbors

You folks are amazing, here it is the middle of February, and we have received over 100 renewal applications to DANWA. At this rate we should easily surpass last year's membership. Along with that, several of you have sent in more than the \$15.00 fee. With all of the events and groups that DANWA supports or sponsors, every dollar helps. Thank You!

If any of you know someone who lives in the Olde Town part of Del City (I-40 south to S.E. 29th - S. Sooner west to S. Sunnyslane), please let them know that there is a concerted effort to reorganize the neighborhood watch for that area. Organizing meetings will be held at the Del City Huey Long Community Center at 7pm on the second Thursday of the next few months - March 12th, April 9th, and May 14th. OTNHWA was once a vibrant part of our community and can be again.

Dates to Remember in March

March 8th	Daylight Savings Time Begins
March 17th	St Patrick's Day
March 20th	Springs Begins
March 29th	Palm Sunday and National Vietnam War Veterans Day

(visit the cityofdelcity.org web site for activities and classes at the Community Center)

As I mentioned last month, the Neighborhood Night Out is coming up on April 25th from 4pm till 8pm. If the weather is inclement on the 25th we will shift to May 2nd. We anticipate this year's event to be better.

The Armed Forces Day / Shriners Parade is scheduled for May 16th. I understand that there may be some route changes, more to come on that.

It's a busy time right now, with the Spring weather, school and sports. What a wonderful time to be in Oklahoma.

Quote from Benjamin Franklin
Where liberty is, there is my country

May GOD keep and bless you and yours	See you March 9th at 7 pm

Block Captains help deliver the DANWA newsletters. Some blocks only have 20 homes to deliver to, some have more as shown in parentheses above. If you can help with any of these please contact any of the District Captains above. It takes me about 15 minutes to deliver 23 and I even get a little exercise.

Can you spare some time?

You don't have to be a member to volunteer to deliver the newsletters, it's good exercise.

Block Captain is the one who delivers the newsletter to the door. He/She gets the exercise I'm talking about when I say "IT'S GOOD EXERCISE". Please help if you can.

Respectfully, DANWA

This issue is in remembrance of Ms. Jan Austin. She was one of our block captains who delivered newsletters on S.E. 41st. She attended the DANWA functions and always extended a helping hand.

Jan was a faithful member of Sunnyslane Southern Baptist Church always looking out for others, always had kind words for others, and brought children to church from her neighborhood. She always had a smile on her face.

Our condolences to her family.

Ms. Jan, you are definitely going to be missed.

Does anyone else find it weird that when "Star Trek" boldly goes where no one has gone before, they always find someone there?

Here's more Riddles for Adults.

Things to ponder....

Why do we press harder on a remote control when we know the batteries are getting weak?

Why do banks charge a fee on "insufficient funds" when they know there is not enough?

Why does someone believe you when you say there are four billion stars, but check when you say the paint is wet?

Why doesn't glue stick to the bottle?

Why does Superman stop bullets with his chest, but ducks when you throw a revolver at him?

Why do Kamikaze pilots wear helmets?

Whose idea was it to put an "S" in the word "lisp"?

If people evolved from apes, why are there still apes?

Does a clean house indicate that there is a broken computer in it?

Why is it that no matter what color bubble bath you use the bubbles are always white?

Is there ever a day that mattresses are not on sale?

Why do people keep running over a string a dozen times with their vacuum cleaner, then reach down, pick it up, examine it, then put it down to give the vacuum one more chance?

Why is it that no plastic bag will open from the end you first try?

How do those dead bugs get into those closed light fixtures?

Why is it that whenever you attempt to catch something that's falling off the table you always manage to knock something else over?

In winter, why do we try to keep the house as warm as it was in summer when we complained about the heat?

If at first you don't succeed, shouldn't you try doing it like your wife told you to do it?

And obviously if at first you don't succeed, then don't take up sky diving!

I don't know if these are true but might be worth a try, so keep this on the Fridge:

Did You Know That? Drinking two glasses of Gatorade can relieve headache pain almost immediately -- without the unpleasant side effects caused by traditional "pain relievers."

Did you know that Colgate toothpaste makes an excellent salve for burns.

Sore throat? Just mix 1/4 cup of vinegar with 1/4 cup of honey and take 1 tablespoon six times a day. The vinegar kills the bacteria.

Honey remedy for skin blemishes... Cover the blemish with a dab of honey and place a Band-Aid over it. Honey kills the bacteria, keeps the skin sterile, and speeds healing. Works overnight.

Listerine therapy for toenail fungus... Get rid of unsightly toenail fungus by soaking your toes in Listerine mouthwash. The powerful antiseptic leaves your toenails looking healthy again.

Easy eyeglass protection... To prevent the screws in eyeglasses from loosening, apply a small drop of Maybelline Crystal Clear nail polish to the threads of the screws before tightening them.

Coca-Cola cure for rust... Forget those expensive rust removers. Just saturate an abrasive sponge with Coca Cola and scrub the rust stain. The phosphoric acid in the coke is what gets the job done.

Cleaning liquid that doubles as bug killer... If menacing bees, wasps, hornets, or yellow jackets get in your home and you can't find the insecticide, try a spray of Formula 409. Insects drop to the ground instantly.

Smart splinter remover...just pour a drop of Elmer's Glue-All over the splinter, let dry, and peel the dried glue off the skin. The splinter sticks to the dried glue.

Hunt's tomato paste boil cure....cover the boil with Hunt's tomato paste as a compress. The acids from the tomatoes soothe the pain and bring the boil to a head.

Balm for broken blisters...To disinfect a broken blister, dab on a few drops of Listerine ... a powerful antiseptic.

Kill fleas instantly. Dawn dish washing liquid does the trick. Add a few drops to your dog's bath and shampoo the animal thoroughly.

Rinse well to avoid skin irritations. Goodbye fleas.

Rainy day cure for dog odor... Next time your dog comes in from the rain, simply wipe down the animal with Bounce or any dryer sheet, instantly making your dog smell springtime fresh.

Quaker Oats for fast pain relief....It's not for breakfast anymore! Mix 2 cups of Quaker Oats and 1 cup of water in a bowl and warm in the microwave for 1 minute, cool slightly, and apply the mixture to your hands for soothing relief from arthritis pain.
